Operating for over 100 years, 4-H BC is one of British Columbia's longest-running and most respected youth organizations. A non-profit organization, 4-H BC is dedicated to youth development.

The 4-H BC program provides over 2100 young people with an opportunity to learn how to become productive, self-assured adults who can make their community an excellent place in which to live. This is fostered through project and program work, experiences with other 4-H club members and leaders and participation in district, regional and provincial programs.
