4-H BC Board President

Heather Sarafini

As my term as president comes to an end I reflect on the events of the year. Things are always changing and we try to keep up with never ending challenges and demands. The Provincial Council now meets by conference call monthly and in person twice a year. This keeps us up to date on all events, changes, program and project updates and general flow of business.

The Board has done Governance training this year and committees were developed to work on different aspects to help develop a stronger board. We continue to work on goals from our Strategic Plan and we will start work in 2020 on the next plan.

The 4-H British Columbia Provincial Council appreciates the hard work and dedication of our 4-H British Columbia Staff,

Ministry of Agriculture-Youth Development Staff, 4-H British Columbia Foundation, volunteers, alumni, sponsors and our members for helping us make 4-H such a great organization. A thank you to our volunteer Provincial Council members. Many of you will be finished your terms and we greatly appreciate the time, devotion and wisdom given to the Provincial Council and the support given to our youth and the 4-H program. Welcome to the new volunteer Provincial Council members and it will be great to work with such a diverse group. You will help to inspire, educate and develop youth into empowered community leaders just as our mission statement says.

HEAD

HANDS

HEALTH

4-H BC Provincial Office Manager

Aleda Welch

The launch of our 5th Gator Lottery kicked off 2019. With 98% of tickets sold this was our most successful lottery yet! Thank you to all of the clubs, members and leaders for their enthusiastic ticket selling. A huge thank you to PrairieCoast Equipment for supplying the Gators and hosting the lottery draw at their Kamloops dealership.

2019 brought some changes within the 4-H BC office staff and positions. The restructuring of the administrative and program coordinator roles allows us to better serve the 4-H community.

In February the 4-H BC Conflict Managers attended Conflict Management training in Vancouver. For some it was a refresher and for others it was an opportunity to understand conflict; what causes conflict, how to manage conflict and methods for conflict resolution. In the spring, the 4-H BC office staff completed Standard First Aid training in preparation for the busy year ahead.

And a busy year it was! I was privileged to attend the Peace River Showcase in Fort St John, the Ambassador training weekend in Abbotsford, Youth Action in Kamloops as well as the Key Leader training workshops at Central Interior Family Frenzy in Prince George, Fraser Valley and Vernon. While at the PNE in August, I was honored to join the BC Minister of Agriculture, Lana Popham, as she toured the barns and met some of our impressive 4-H members and their projects.

In celebration of the Ambassador Program's 20th year anniversary, 4-H BC hosted an Ambassador Alumni Reunion in Abbotsford. It was a heartwarming evening as alumni and current Ambassadors met, reminisced, shared stories and

enjoyed a traditional Ambassador program meal at Rancho Caterers. We were joined by the founders of the 4-H BC Ambassador Program, Pat Tonn and Suzanne Skaaning. What a wonderful legacy these people have built for 4-H!

Discover 4-H Day Camps were held in Lake Country, Trail, Hudson Hope and Chetwynd during July. Our camp counsellors, Emily Beattie and April Marr, travelled the province providing a day of fun agricultural activities to youth aged 9 – 12 and connecting with communities allowing them an opportunity to become involved in the 4-H program.

Throughout the year several new fundraising opportunities were launched including; Peavey Mart Giving at the Till, National 4-H month Food Drive plus matching donations, Gord Bamford Concert Tickets and 'Making Futures Bright' 4-H BC Foundation Field of Clover campaign. Due to the efforts of Belinda Field, Fund Development Coordinator, with support from 4-H members, leaders, the community, 4-H BC Provincial Council, 4-H BC Foundation and 4-H BC staff, donations to 4-H BC Foundation have increased year over year.

All of the successes of 4-H BC would not be possible without the ongoing support of 4-H members, volunteers and leaders around the province of BC. The commitment and leadership of 4-H BC Provincial Council and 4-H BC Foundation complimented by our continued partnership with the BC Ministry of Agriculture, Youth Development Team, will enable 4-H BC to grow and prosper into the future. Thank you to all for allowing me to be a part of this inspiring organization!

Minister of Agriculture

Honorable Lana Popham

2019 was another busy year for 4-H British Columbia, filled with learning, new experiences and opportunities!

BC has a rich agricultural history that is deeply rooted in tradition, and the young members of 4-H BC continue to do a great job of sharing the importance of agriculture in communities all over the province through their projects, exhibits and shows.

This year at the 2019 Pacific National Exhibition, with \$5,000 funding from the Buy BC Program, club members were challenged to create an educational display on the topic: The Journey of B.C. Food. This Special Educational Display Program along with a Buy BC social media contest helped 4-H members learn more about the wide variety of products that come from B.C. and the benefits of supporting local farmers and producers.

I also had the pleasure of announcing the B.C. government's annual funding of \$150,000 while visiting with 4-H youth who were participating in events at the PNE. 4-H BC is an all-inclusive organization, so I was also happy to announce some of this funding is going to a special three-year project to support 4-H BC in reaching out to under represented youth

and increasing farm safety education. To secure the future of agriculture in B.C., younger generations need support and mentoring today. And I'm heartened by the support offered by 4-H organizers and volunteers, through the various 4-H programs, to ensure our future farmers, ranchers, beekeepers and producers are in good hands!

The organization continues to show its generosity and adaptability during the COVID-19 pandemic by offering the new 4-H@Home program to all youth throughout the province. Kids can keep busy through the 4-H BC motto 'Learn to do by doing' and by completing projects to earn their own certificates of accomplishment. This is an example of strong leadership and it is deeply appreciated! At the time of writing, and for some time to come, physical distancing and other restrictive measures are absolutely necessary to help us fight COVID-19. I want to thank 4-H and the whole farming community for doing your very best to help us all get through these very challenging times.

I look forward to working with 4-H BC in the coming year and joining the young members for more fun and learning.

Ministry of Agriculture
Sector Development Branch
Youth Development
Team Lead

Sarah van Heeswijk

In 2019 the Youth Development Programs Staff from the Ministry of Agriculture continued to collaborate with 4-H BC to help develop youth into agriculture community leaders. 2019 was an exciting year as the Ministry provided a second year of extra funding to 4-H BC to further grow farm safety programming for youth, support new clubs and volunteers, and increase outreach to potential new members from under-represented groups. A highlight this year was a new partnership with the Buy BC program to deliver the Buy BC Special Educational Display Program at the Pacific National Exhibition, and a new Buy BC social media contest for the 4-H BC Ambassador team.

In August, Lauren Bernardi joined the Youth Development team as a specialist based in Abbotsford. Jarrett Chung-Smith worked in Vernon as a Youth Development Specialist. Karla Barrie continued to work half time in Williams Lake as the Youth Development Assistant. We were also happy to have the support of Indigenous youth intern Marika Laird, and co-op

students Sarah Day and Jolene Schubert for parts of 2019. The whole Youth Development team worked diligently this year to deliver programs including Island 4-H Rendezvous, Peace River 4-H Showcase, 4-H Family Frenzy, the Ambassador Program, Agri-Career Quest, Youth Action, Provincial Communications Weekend, and 4-H Leader Training. We were also pleased to release updated educational materials to support the gardening, photography, and small engines projects.

Rita Pierson said, "Every child deserves a champion, an adult who will never give up on them, who understands the power of connection, and insists that they become the best that they can possibly be." The youth development team would like to thank all the 4-H BC leaders and volunteers for being that champion for the youth in their communities. It is a pleasure working alongside such a hardworking group of volunteers and families who are committed to positive youth development.

Youth Advisory Committee

I started my term on the Youth Advisory Committee (YAC) representing BC in January 2020. In January there were 11 YAC representing their home provinces. Although, one YAC had to step down from his position as of February and the position has not been filled.

The YAC have started the second year of having a meeting structure with an executive. For 2020 our President is Logan (ON), Vice President is Eugenie (QC), and Secretary is McAuley (NL). At Leadership Summit 2020, the YAC were the moderators, MC's, and said the pledge throughout the Summit. For YAC there are four working groups: Marketing and Communications Network, Board Representative and Admissions, 4-H Canada Conferences, and National Resource

Network. I was assigned to the 4-H Canada Conferences working group for 2020, this means being a facilitator and mentor at the 4-H Canada Citizenship Congress in May. Due to the current circumstances this program has been postponed as of March 27, 2020.

Presently, YAC are working on releasing information to encourage members to get more involved in 4-H and creating more interest in national programs and YAC. 4-H Canada will be doing a release for the YAC's initiative in the next couple of months.

*Respectively submitted by,
Hannah Boulton*

Regional Reports

Central Interior *Heidi Meier*

In 2019 the Central Interior Region consisted of 3 districts: Prince George with 4 clubs and 128 members; Quesnel having 4 clubs and 65 members; and Williams Lake with 8 clubs and 188 members; for a total of 381 members. Projects include Beef, Dairy, Swine, Sheep, Goat, Llama, Small Engines, Poultry, Photography, Cloverbud, Rabbits and Junior Leader.

Regional Communications were hosted by Williams Lake in May and Prince George hosted Family Frenzy for our members in September. Quesnel hosted an Ag Safety Day in June with approximately 80 participants. New leader training was offered in Williams Lake in February and in Prince George in September. Our large geographical area presents a challenge in offering regional events however, we do our best to offer programs for the region and rotate around the area.

The Quesnel district received grant funding from two sources which allowed them to purchase new penning, panels and dividers for their district show and sale. Their district also has members participate in a Club to Club exchange with a club from Manitoba.

Quesnel sent a senior demonstration team and Williams Lake sent a senior speaker to provincial communications.

Prince George held their annual dinner dance raising funds for new pens for their ever growing district.

It seems our region is growing with at least two new clubs for 2020. We are looking forward to a productive and successful 2020.

Fraser Valley *Ginette Keglowsch*

The Fraser Valley 4-H Region is composed of five districts representing 30 clubs.

- North Fraser District – 6 clubs
- Chilliwack District – 6 clubs
- Langley District – 6 clubs
- Surrey/Richmond/Delta District – 3 clubs
- Abbotsford District – 9 clubs

We have projects in Dog, Dairy, Beef, Swine, Llama, Small Engines, Robotics, Photography, Woolcraft, Sheep, Swine, Poultry, Gardening, Crafts, Cavy, Rabbit, Ambassador, Junior Leader, Self Determined, Foods, Outdoor Living, Tractor, Horse, Honeybee, Goat and Cloverbud. Most of our clubs run on a January – December club year.

Several of our districts received gaming grants to help with programming and promotional expenses.

Many of our clubs participated in the summer fairs, including Maple Ridge-Pitt Meadows Countryfest, Abbotsford AgriFair, Chilliwack Fair, PNE, IPE and Agassiz Fair.

All districts held judging rallies with the top judges going on to the competition at the PNE. North Fraser and Langley hold a joint rally to increase the numbers and reduce individual work loads. The members enjoy having the time with the neighbouring district.

Abbotsford District held a junior camp. Chilliwack District participated in an exchange.

Several districts held First Aid or Food Safe courses for members, leaders and parents.

We had four Ambassadors in the past year, two of whom have now completed their terms. Three will be continuing and we have four new incoming ambassadors. They are valuable resources for our clubs.

Our AgMent members are busy planning a regional judging workshop. There will be an emphasis on giving oral reasons for senior members.

District Awards Nights were held in October and November.

Our region had another successful 4-H to the Extreme on March 7 and is off to a busy start for 2020.

Kamloops-Okanagan *Lorna Kotz*

In 2019, the Kamloops-Okanagan Region had five district councils and 33 clubs. We cover a large area with more than 340km between the farthest clubs. This makes it challenging to get together as a whole region too often. Every year our districts take turns hosting regional events. In 2019, Kelowna hosted Regional Public speaking and Boundary District hosted Regional Demonstrations. We also held a Progressive Agriculture Regional Safety Day in Armstrong in October. We have decided to run this event in alternating years with Catch the Clover. As well, we have a regional record book competition that is very popular where we get to see some amazing books.

Each district has a full year of various events including camps, district communications, rally days and local safety days. Our region also hosts the Salmon Arm Summer Sizzler (for horse clubs) and the Okanagan 4-H Stock Show (Beef, Horse and Dog clubs) in the summer. As well our members look forward to attending the many fairs in our region.

Regional Reports (continued)

In 2019 we lost our Regional treasurer. Joanna Hay had been a 4-H leader for many years and was involved with our Regional Council for several more. She will be sadly missed.

Overall, 2019 was a good year and we look forward to more 4-H in the future.

Kootenay *Heather Serafini*

The Kootenay Region consists of 5 clubs. There are 4 clubs in the Cranbrook District and one in the Creston District.

We start our year out with a Regional 4-H family camp. This is a fun filled weekend for all ages. It is a weekend that encourages leadership, team building and youth development as well as a lot of interaction with members from all over the region. A safety day was put on in October by our Safety coordinator, Tanya and the members learned so much about all types of safety and it was a very interactive day. Leaders had training in November to keep them up to date in their leadership roles.

In November our Beef program has its weigh in and our sheep and swine was in the beginning of February. March holds our Regional Public Speaking where members participate from both Districts. April looked at our 2nd Ag for All weekend. This weekend taught members and parents hands on techniques on suturing, injections, tractor safety, leg wraps, and treating bloat on the Saturday. On Sunday members were divided into three age groups and were taught how to groom their lamb, their beef animal and their swine. After this everyone was involved in showmanship classes that involved members, parents, and alumni. It was an amazing event for everyone involved.

Our Regional Judging Rally was held in May at Fort Steele Historical Park. Members did judging, dress review, educational displays and food displays. In June we held our Cranbrook and District Show and Sale and members from both Districts were involved. Market and showmanship classes were done in beef, sheep and swine. We had senior members attend provincial programming, PNE and communication finals.

Twelve of our members were fortunate enough to be able to go on a Club to Club Exchange with a Calf Club in Rocklyn, Ontario in July. Those members and their chaperones came back to BC in August. This was a great learning experience for our members.

Creston members travelled to the Maple Ridge fair to compete. They held their achievement day at the Creston Fall Fair in September.

We want to thank all of our members, leaders, alumni, sponsors, parents and everyone else that support us. Without the help we wouldn't be able to do what we do for our members.

Peace River *Jody Watson*

The Peace River Region consists of 2 Districts:

- South Peace District with 2 clubs: Groundbirch 4-H Club and Saddle Champs 4-H Club
- North Peace District with 6 clubs: Prespatou Community 4-H Club, Wonowon 4-H Club, Lakeshore 4-H Club, Green Valley 4-H Club, Beatton Community 4-H Club and Silver Willow 4-H Club.

Collectively we had 5 different projects in the region: Horse, Beef, Sheep, Dog, Swine and Cloverbud.

Districts throughout the region held their annual district communications competitions and sent members to the regional communications competition held in Fort St John. Both districts also held their annual judging rallies throughout the year.

The North Peace 4-H District had a great showing of members attend provincial 4-H events such as Agri-Career Quest, Provincial Communications, Citizenship Congress, PNE (judging), Youth Action. What great experiences for the young attending members!

North Peace District Achievement days were a huge success held July 5th & 6th. It is wonderful to see all of the young 4-H member's progress with their Grooming/Showmanship and Animal husbandry skills. South Peace held their achievement days in the early fall at Lakota Centre.

A huge thank you to all our leaders who spend endless hours with District Council, Regional Council, Club and helping us organize all our events in Peace River Region. Also we definitely couldn't put all these great opportunities together without our amazing sponsors and community support we are given in the Peace River region.

Vancouver Island *Trina Gunter*

In 2019 Vancouver Island had another busy year.

The Island Ag show was in Saanich this year with many 4-H volunteers. Our regional public speaking was hosted by the Parksville/Qualicum district and was well attended. We also had a great turnout to the Island Rendezvous, held in Parksville. There were many interesting topics offered and I heard a lot of positive feedback.

Our beef members attended the Island Beef show in May at the Cowichan fairgrounds. This show is always a good start to the beef showing season. The regional ed boards and demos was held on the same weekend in Saanich and many members participated. May was also our Junior camp in Shawnigan Lake, it was slightly smaller than usual but the members that went had a good time. Unfortunately, our regional judging rally was cancelled due to lack of registrations.

The Ambassadors from Vancouver Island were very busy and represented us at many events. Our clubs were busy with meetings, events and shows all year. Our clubs continue to have events such as awards nights, auctions, dances, volunteer work, and team building events.

I am new to the role of regional rep so will have a more detailed report for next year, looking forward to working with you all.

Yellowhead West *Deanna Lambert*

The Yellowhead West Region consists of 4 Districts: Skeena District with 1 club: Shamrock 4-H Club; Bulkley Valley District with 4 clubs: Evelyn 4-H Club, Topley 4-H Club, Mid Valley 4-H Club, and Quick 4-H Club; Lakes District with 2 clubs: Northside 4-H Club and Southside 4-H Club; and Vanderhoof & District has 5 clubs: Fort St. James 4-H Club, Mapes 4-H

Club, Nechako Valley Dairy & Beef 4-H Club, North Valley 4-H Club, and Wranglers 4-H Club.

Districts throughout the region held their annual district communications competitions and sent members to the regional communications competition held in Smithers on April 27th.

All districts also held their annual judging rallies throughout the year and achievement day weekends in the fall.

The Yellowhead West Land of Friendship Junior Camp in July was a big success this year with 35 members attending from the Yukon border through to Vanderhoof. This camp, comprised of members aged 9-12, is held in Vanderhoof each year at the Tachick Lake Resort and the theme in 2019 was Science!

We had 1 member from the Skeena District attend the Citizenship Congress; 6 members from Skeena, Bulkley, and Vanderhoof Districts attend Agri Career Quest; and 10 members from Lakes and Vanderhoof Districts attend Youth Action in 2019!

A huge Thank You to all the leaders, sponsors, parents, alumni, supporters and members for their contributions to 4-H in the Yellowhead West Region. Without you this program would not be such a huge success!

The ambassador team had a productive year in 2019. All eighteen ambassadors completed their achievement requirements.

Some highlights of the Ambassadors' work this year include:

- 10 presentations on the 4-H BC Foundation
- 70 thank you's to regional and provincial 4-H sponsors
- 19 articles submitted to various publications
- 6 4-H BC Instagram takeovers
- 16 participants in the Buy BC Social media contest
- 55 4-H promotions at public events

- 17 project and program workshops to 4-H clubs
- 11 opportunities to act as the official judge for 4-H competitions
- 109 reports of hosting or helping with 4-H events

Ambassadors completing their commitment at the end of February 2020 include:

- Vancouver Island – Lana H.
- Fraser Valley – Emily B., April M.
- Kamloops/Okanagan – Ashley R.
- Central Interior – Jacinta M., BreeAnna M.
- Yellowhead West – Kayla H., Dawsyn R.
- Peace River – Kyra T., Peter W.

Thank you to the graduating ambassadors for two years of great work! The winner of the Outstanding Ambassador of the Year Award for 2019 is Jacinta M. from the Central Interior Region.

We will be selecting a new Provincial Council representative in May; until then Emily Beattie will continue to represent the Ambassadors on council. Sara Kate Smith completed her term as the BC YAC rep at the end of 2019; Hannah Boulton will be taking over the BC YAC position starting in 2020.

We're looking forward to another exciting year of ambassador work ahead.

4-H BC Foundation President

Gordon Bryant

I am pleased to provide this 4-H British Columbia Foundation report for the fiscal year January 1st to December 31, 2019.

As 4-H BC Foundation becomes better known and understood by the 4-H community, 4-H alumni and friends of 4-H, new donors are coming on board to support 4-H youth in the future.

Foundation revenues have come from investments, 4-H Club assessments, donations, and fundraising. Total Foundation assets as of Dec 31, 2019 were **\$1,560,740**. Returns continue to be a result of a well-balanced investment policy and our investment advisors at CIBC Wood Gundy. Accumulated 2019 disbursements to 4-H BC Provincial Council were as follows: **\$86,000** for ongoing Provincial 4-H Programs and services, **\$15,980** for Designated Gift initiatives, and **\$60,564** for the Extraordinary Funds (loan) initiative between 4-H BC Provincial Council and 4-H BC Foundation.

4-H BC Foundation continues to expand its mandate through Designated Gifts, whereby a donor directs the annual earnings from their donation to go to a specific 4-H program, 4-H region or 4-H district. The Foundation now administers four *4-H Endowments and two 4-H Designated Donations*; a total of six Designated Gifts.

Together with 4-H BC Manager, Aleda Welch, and Fund Development Coordinator, Belinda Field, 4-H BC Foundation continues to move forward on fund development initiatives that fit within the 4-H BC Strategic Plan. Securing sustainable resources through an *"integrated fund development and partnership strategy"* is essential to meeting a strong and growing 4-H British Columbia vision of *"Empowered and skilled young people committed to making positive change in their communities."*

4-H BC Foundation continues to encourage Planned Legacy Giving from 4-H Alumni and supporters. I encourage all to consider a bequest through your will with wording, *"I direct my Trustee to give to the 4-H British Columbia Foundation the sum of \$XXX from my estate."* Everyone benefits from the power of a planned gift.... you, your family and 4-H as your charity of choice.

4-H BC Foundation continues to grow beyond being the *"best kept 4-H secret going"*. 4-H Leaders and parents are encouraged to be passionate about your Foundation and make referrals of potential donors who express an interest in donations. Foundation Trustees and 4-H staff welcome the opportunity to speak with potential donors to provide information on the various ways to donate to the Foundation, support 4-H youth, and receive a charitable tax receipt.

Thank you to fellow Trustees *Barry Remus, Tony DeGroot, Doug Haughton, Mary MacGregor, Mark Nairn and Lynn Lashuk*. Thank you to 4-H BC staff *Aleda Welch and Belinda Field*, and all members of the 4-H BC staff team for your energy and enthusiasm.

"I know that there are hundreds of past 4-H BC members, who owe their success in family life, community involvement and career to their 4-H club membership as a youth. I invite all 4-H Alumni to reconnect with their 4-H roots and make a financial contribution to 4-H by donating to the 4-H British Columbia Foundation." See www.4hbc.ca ...*"Support 4-H"* ...*"Donate Now"*. See 4-H BC Foundation pages for more info.

I look forward to a successful 2020 4-H year. Watch for ongoing outreach to 4-H Alumni, and other new initiatives in 2020.

REVIEW ENGAGEMENT REPORT

To the Directors of British Columbia 4-H Provincial Council

We have reviewed the accompanying financial statements of British Columbia 4-H Provincial Council, which comprise the balance sheet as at December 31, 2019, the statements of operations, and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Based on our review, nothing has come to our attention that causes us to believe that the financial statements do not present fairly, in all material respects, the financial position of British Columbia 4-H Provincial Council as at December 31, 2019, and its results of operations, net assets and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

KPMG LLP, Chartered Professional Accountants

4-H BC Provincial Council
