

4-H BC Presents: The Leadership Roundtable and Education Series

Join us for a series of roundtables and presentations to connect with leaders from around the Province, discuss the projects specific to your 4-H leadership and learn new things about education in a virtual environment!

The roundtables are an open space for leaders to share ideas, experiences, tips and activities with each other. We ask that you come to the leader roundtables prepared to share your questions and ideas. As we continue to adapt to virtual learning environments, it is important to us that 4-H BC leaders have the opportunity to learn, connect and strengthen skills to ensure that 4-H members, families, and leaders are continuing to have a positive and meaningful 4-H experience.

All roundtables and presentations will be on the virtual platform, Zoom, and will require participants to have an audio and visual set up.

Registration is free of charge through Eventbrite. There are limited spots in each meeting, so if you are interested, be sure to register yourself **as soon as possible** so you don't miss out! For more information and to register please follow each link in the schedule below.

While the project roundtables are only open to the leaders enrolled within the specific project, the engaging virtual meetings presentation is open to all 4-H BC leaders.
