# 2022

## Our Mission

4-H British Columbia builds awareness of agriculture, inspiring, educating and supporting youth to reach their full potential.

## Our Vision

Empowered and skilled young people committed to making positive change in their communities.

## Inclusion Statement

4-H Canada is open to all without discrimination based on race, national or ethnic origin, colour, religion, sex, age, or mental or physical disability.

## 4-H Motto

**Learn To Do By Doing**

## 4-H Pledge

I pledge

My **head** to clearer thinking,

My **heart** to greater loyalty,

My **hands** to larger service,

My **health** to better living,

For my club, my community,

my country, and my world.

# Ambassador Report

- By Sarah van Heeswijk, Danusia Tarr, and the 4-H BC Ambassador Team

2022 was a great year for the 4-H BC Ambassador team, as many in-person 4-H activities and events resumed throughout the province. One ambassador left the program early in 2022 due to personal circumstances, but the remaining 15 ambassadors were very active and completed the following activities in 2022:

- 11 project videos created for BC Fairs
- 106 thank you's to regional and provincial 4-H sponsors
- 12 social media engagements
- 6 articles submitted to various publications
- 33 4-H promotions at public events
- 44 reports of hosting or helping with 4-H events
- 21 project and program workshops to 4-H clubs
- 10 opportunities to act as the official judge for 4-H competitions

Ambassadors noted the following activities as some personal highlights: the 4-H Festival at the PNE including a special tour with Minister of Agriculture and Food, Lana Popham, creating project videos for BC Fairs, judging 4-H competitions, wearing the Frisco the Fox costume, representing 4-H at the Queen's Platinum Jubilee celebration in Victoria, and showing their 4-H Colours in November. A highlight for the whole team was the Ambassador Training Weekend hosted at Trinity Western University in Langley, from May 20-23, 2022. The training weekend included some great workshops, teambuilding activities, and a high ropes challenge.

A big change to the Ambassador program in 2022 was an adjustment to the program dates. Starting in 2023 the ambassador program will be aligned with the calendar year, and the Ambassador representative to provincial council will be selected in the fall rather than the spring. In 2022 Sarah Maloney served as the Ambassador on the 4-H BC Provincial Council, Hannah Meier served as the Ambassador on the 4-H BC Foundation, and Lark Anderson served as the BC representative on the 4-H Canada Youth Advisory Committee (YAC). In her role as 4-H Canada YAC representative for BC, Lark Anderson reported assisting with the 4-H Canada Leadership Summit, the National 4-H Members Forum, the 4-H Canada Program Innovation Committee, the 4 Minutes with 4-H series, and Show Your 4-H Colours Day.

Ambassadors completing their commitment at the end of February 2023 include:

- Vancouver Island – Sarah Maloney, Danae Kong
- Kamloops/Okanagan – Tavish Comrie, Rose Thon
- Kootenays – Shayla Stewart
- Central Interior – Hannah Meier, Lexi Augustine
- Peace River – Rheana Gilbert

Thank you to the graduating ambassadors for two years of great work! The Outstanding Ambassador of the Year Award for 2022 was awarded to two graduating ambassadors in a tie between Sarah Maloney and Danae Kong.

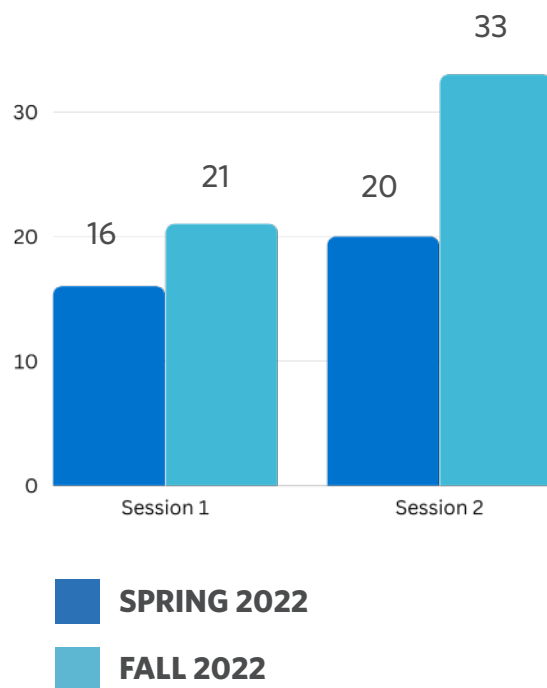

## Enrolment & Participation

In 2022 we delivered four virtual Urban Online Cooking Program sessions for youth ages 9-12 years old and in 2023 we will deliver two sessions during Spring. The goal is to educate youth on culinary skills, to promote the 4-H BC program to urban areas. In 2022 the total of 90 youth attended the program.

## Urban Online 4-H Cooking Program

The Urban Online Cooking Program was co-developed with Chefs Bonnie Jarvis and Hiro Amani to engage urban youth in hands-on food preparation and increase awareness of the 4-H program. The virtual cooking program was presented in weekly lessons over two five-week periods in the spring and again in the fall that feature recipes from different cultures while focusing on a variety of cooking skills that highlight the local bounty of what is grown in BC.

Overall, the Urban Online Cooking Programs of 2022 were very successful. The turnout average for sessions completed in 2022 consists of 22.5 delegates, increasing with each virtual session.

## Alumni Outreach

In 2022, 4-H BC reconnected with many of our former members by implementing a 4-H BC Alumni re-engagement plan.

4-H is a life-changing, life-impacting program. By identifying our Alumni, we can offer former members the opportunity to reconnect with 4-H in a meaningful way. It is our hope that 4-H Alumni will want to share their experiences with the younger generation of 4-H'ers, mentor our future leaders, and provide resources to 4-H BC through short- and long-term volunteering and financial support.

We believe that reconnecting with 4-H Alumni should be mutually beneficial. Former members can re-experience the positive feelings they had as a member—a sense of belonging, learning, personal growth, and giving back.

4-H BC chose to celebrate its alums in 2022 by offering an official 4-H BC Alumni water bottle. We also gave alums a chance to connect with former members through a private Facebook Group, which grew from 0 to 400 members in just 4 months!

Our goal is to continue to build our community of Alumni by offering opportunities for former members to participate in 4-H BC contests and events. If you are a former 4-H'er we invite you to join the Alumni Facebook Group and visit our 4-H BC Alumni and Friends website!

## Provincial Programs

### Enrolment & Participation

“With the removal of the COVID-19 restrictions in the spring of 2022, 4-H in BC was able to once again gather as a community and create meaningful connections. If the Coronavirus Pandemic has taught us one thing, for me it would be to not take one another for granted. Carving out time from our ever-increasing responsibilities and commitments to get together, enjoy each other’s company and relax should be a priority for us all.

In 2022 the 4-H program continued to provide members and leaders with lifelong memories, lasting friendships, valuable skills, and a whole lot of fun! The much-anticipated return of in-person programming was evident by the high level of participation at Food For Thought, Senior Members Weekend (2022 replacement for Provincial Club Week), Provincial Communication Finals, Kamloops-Okanagan Region Catch the Clover, Fraser Valley Region 4-H to the Extreme as well as the National Members Forum program. Watching the growth of members and leaders at all levels is rewarding and inspiring for all of us.” - Aleda Welch, 4-H BC Manager

### Participation Numbers

- Discover 4-H Day Camps: 41 youth
- Field to Fork Challenge: 18 winners
- Food for Thought: 38 youth
- Provincial Communication Finals: 25 youth
- Ambassador Training Weekend: 15 Ambassadors

# 4-H Day Camps

- By: Justine Wycott, 4-H BC Volunteers Support Coordinator

The 2022 Discover 4-H Day Camps were hosted with the purpose of introducing 4-H BC to cities in BC that have little to no 4-H clubs pre-existing in the area.

Discover 4-H Day Camps is a series of one day camps designed to introduce 4-H to non-member youth aged 9 - 12 from new and diverse communities. The objectives for these camps is to connect communities with the 4-H program who have otherwise been unreached or have not been provided an opportunity to become involved, to attract non-4-H-members to the program and to provide a day of fun agricultural activities for youth.

Instructional workshops and hands on activities developed around the four pillars of 4-H Canada (Community Engagement & Communications, Science & Technology, Environment & Healthy Living, and Sustainable Agriculture & Food Security) each pillar will contain two topics, one of which is an objective of the program (Leadership, Knowledge, Personal Development, and Citizenship), and the other is a related project that is easily manageable in rural and urban centres such as photography, gardening, honey bee or cavy.

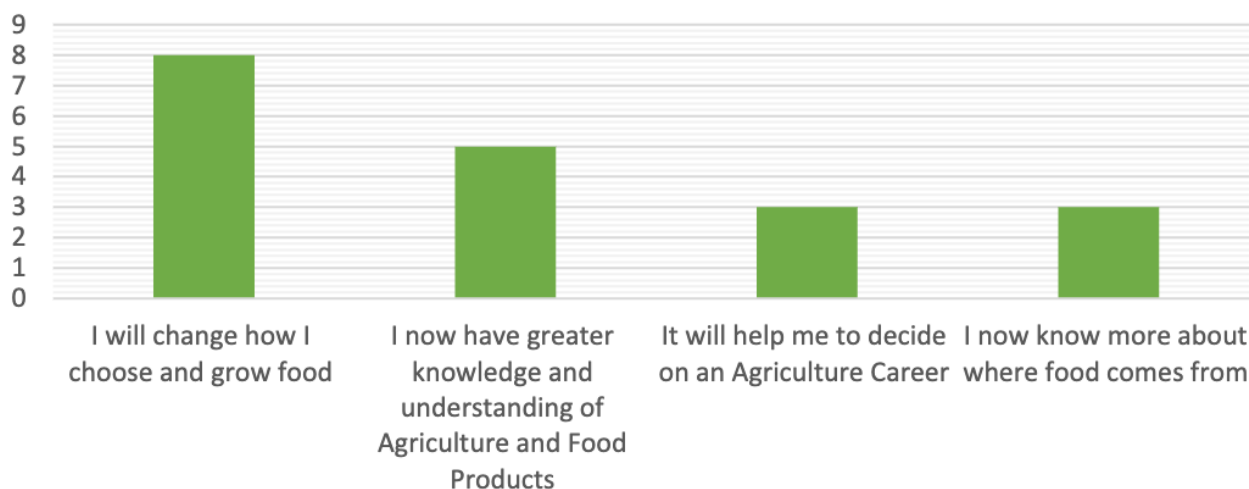

# Food for Thought

What does everyone have in common? Everyone eats! Food For Thought gives 4-H BC members, ages 14-15 from throughout the province, the opportunity to discover BC agriculture. Program participants tasted and experienced. BC products and became more aware of the BC agriculture industry, through exploring issues related to limited land and water resources, sustainable development, and the rural urban interface.

This program also enriched delegates individual personal development, connected with issues affecting agriculture and found ways to transfer their learning back home. The program included tours in the Fraser Valley to view agriculture in action and a lot of FUN!

## FFT WILL BENEFIT YOU, YOUR 4-H CLUB, YOUR COMMUNITY

*"I learned a lot and am now thinking about a career in Agriculture."*

*"A fun event where you learn even deeper how your Food is produced."*

*"Engaging, informational and fun. We learned a lot and where our food comes from and other things regarding it."*

*"If you would like to learn where your food is from and how it's grown. It's the best way to do it."*

# Ambassador Training Weekend

2022 was a great year for the 4-H BC Ambassador team, as many in-person 4-H activities and events resumed throughout the province. One ambassador left the program early in 2022 due to personal circumstances, but the remaining 15 ambassadors were very active and completed a variety of activities. Ambassadors noted the following activities as some personal highlights: the 4-H Festival at the PNE including a special tour with Minister of Agriculture and Food Lana Popham, creating project videos for BC Fairs, judging 4-H competitions, wearing the Frisco the Fox costume, representing 4-H at the Queen's Platinum Jubilee

celebration in Victoria, and showing their 4-H Colours in November.

A highlight for the whole team was the Ambassador Training Weekend hosted at Trinity Western University in Langley, from May 20-23, 2022. A big change to the Ambassador program in 2022 was an adjustment to the program dates. Starting in 2023 the ambassador program will be aligned with the calendar year, and the Ambassador representative to provincial council will be selected in the fall rather than the spring.

# Field to Fork Challenge

- By Yana Vishnevskaya, 4-H BC Communications and Marketing Coordinator

The third annual Field to Fork Challenge brought together youth from all over British Columbia in a virtual cooking challenge using locally sourced BC ingredients! Participants in the 2022 Challenge were asked to submit a video of themselves cooking with BC ingredients and were evaluated on their presentation, recipe, and ingredient selection. The Challenge was open to BC students (ages 9 to 19) and 4-H British Columbia (4-H BC) members; submissions were judged in both junior and senior categories.

The top winners in each Field to Fork Challenge category were invited to the Field to Fork Challenge Virtual Conference on January 14, 2023. The virtual Conference celebrated winners and showcased BC dairy, strawberries, and potatoes through video farm tours, Q&A sessions with BC farmers, and cooking lessons with BC Agriculture in the Classroom Foundation (BCAITC) Chef Trevor Randle.

Conference participants were also delighted to hear words of encouragement from a surprise conference guest - BC Minister of Agriculture and Food, Hon. Pam Alexis.

The 2022 Challenge was a collaboration of BCAITC, 4-H BC, and the Youth Development Team from the BC Ministry of Agriculture and Food, with the support of Buy BC and Save-On-Foods.

Our Winners are from Communities Across BC:

- Abbotsford
- Burnaby
- Campbell River
- Chetwynd
- Chilliwack
- Delta
- Kelowna
- Mission
- Prince George
- Surrey
- Vancouver
- Victoria

“

*It is truly wonderful to see so many creative young people making such delicious and nutritious dishes with ingredients grown in British Columbia. By choosing to Buy BC and eat local, we support and develop B.C.'s food security, and the jobs and economic benefits that brings to communities and families all around the province.*

- Hon. Pam Alexis, Minister of Agriculture and Food

”

# Provincial Communication Finals

- By Yana Vishnevskaya

The 2022 4-H BC Provincial Communication Finals was a three-day program held at Thompson Rivers University (TRU) in Kamloops, July 14-16. The event was a great success, with attendees enjoying a range of activities, from agricultural tours to presentations and demonstrations.

*Provincial Communication Finals delegates in front of the Blackwell Dairy. Kamloops, 2022*

On the first day, attendees went on agricultural tours to several local farms, including Blackwell Dairy, The Stir Food Hub, Butler Urban Farm, and Gardengate. The tours gave attendees a first-hand look at modern farming practices and how they contribute to the local economy.

On the second day, speakers were given a topic related to agricultural awareness just 40 minutes prior to presenting. Despite the short notice, the presentations were of a high standard, with each speaker demonstrating a deep understanding of the topic at hand.

The third day saw the Demonstration teams take to the stage. Members of two presented an 8-10

minute "how-to" tutorial on a topic of their choice. Attendees learned about a wide range of topics, from baking to woodworking to gardening. The presentations were informative, engaging, and thoroughly enjoyed by all.

At the end of the event, 1st, 2nd, and 3rd places were awarded in both categories. The winners were congratulated by their peers and awarded certificates for their achievements. Attendees and their families enjoyed celebrating the wrap-up of the program at the banquet on a Saturday afternoon. The event was a great success, with attendees praising the organizers for their hard work and dedication in putting together such a well-rounded and engaging program.

Overall, the 2022 4-H BC Provincial Communication Finals was a huge success, showcasing the talents and knowledge of the province's 4-H members and inspiring attendees to continue learning about agriculture and the world around them.

# Senior Members Weekend

- By Sarah van Heeswijk and Chip Siemens

From July 29th to August 2nd, 2022, 4-H Senior Members gathered at Thompson Rivers University in Kamloops, British Columbia, for a brand new provincial program: Senior Members' Weekend! The weekend was themed around each of the four "H's": Head, Heart, Hands, and Health. Sessions for each "H" respectively focused on life skills and personal development, 4-H spirit, acts of service, and health and well-being.

Our 22 Attendees ranged in age from 16 to 21, and joined us from all over BC, even from as far away as Vanderhoof! Senior Members Weekend was also the

first time that 4-H BC and 4-H Alberta participated in a delegate exchange- two of the attendees came from Alberta, and in return, 4-H BC has selected a few delegates to attend Alberta's Senior Symposium and Northwest Territories Camping Trip in the near future.

*"Senior Members weekend was one of the best 4-H experiences I've had as I met new friends and learned about 4-H in different countries." - Sava B., Metchosin 4-H Club*

*"...We talked about a lot of important topics which inspired thoughtful group discussion and personal reflection. [SMW was] A fun experience that has helped me view my future with excitement and confidence." - Olivia S., Boundary "C" 4-H Club*

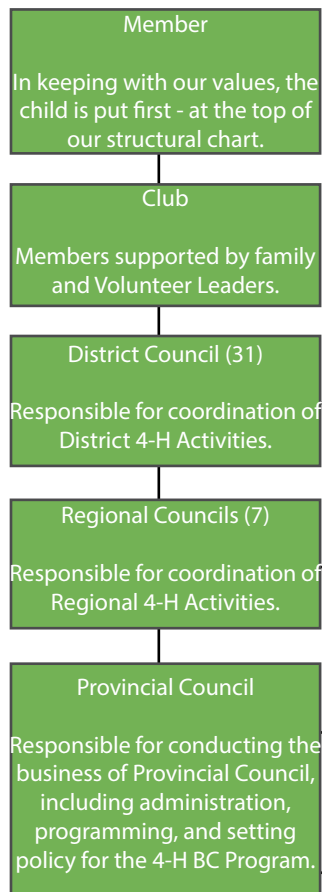

*"It was great! I made lots of new friends. Connected with old friends and had lots of fun. Everybody was really nice and I learned a lot." - Jacques J., Saanich 4-H Lamb Club*

*"... I had a fun time and learned valuable life skills that will stay with me. I went beyond my comfort zone in activities and surprised myself. I'm happy I did." - Nadia D., Deep Creek Dairy 4-H Club*

# 4-H British Columbia Provincial Council President

- By Lorna Kotz

Last year was a busy year filled with lots of changes and excitement. We weren't sure what we were getting into, but we had hope and strived for the best outcome possible. We gradually were able to get back to our in person meetings and programs. What a relief and so nice to actually meet in person and stand together. While things are not exactly how they were before I think we are adapting to all of the changes that we needed to make in order to comply with 4-H Canada and government regulations. All the changes were necessary and some have forced us to take more of a hold on the technology available. I know that isn't a plus for everyone but it is the way the world is headed and most of our kids were already there, before us.

The 4-H Provincial Council meets once a month, mostly by internet and only twice a year in person. They also are required to sit on committees, so there goes another night of meetings. These people represent your 4-H regions and put in far more than they bargained for. It is hard to try and take into account what is going on all over the province and try to make things fair for all. I want to thank all who sit on this council for giving up your time and energy to make 4-H successful.

The online training sessions have been wonderful for those who could not travel and webinars and roundtables meant that we could include people from all over BC without having to be in one place. Just keeping 4-H current and relevant is a challenge that the 4-H BC office and Youth Development teams seem to do without anyone realizing. A big thank you to all of the people who work on these teams and do such a great job of keeping 4-H on track.

Sadly, we lost a few clubs, but we also gained some new clubs and a couple of new districts. Thank you to all of the leaders who have worked tirelessly to keep their clubs going and to those who have taken on the task of starting new clubs. Without you there would be no 4-H.

Thank you to the 4-H community, members, parents, judges and all those who came through with their time and energy to make events happen and be successful. Some were smaller than we would have liked, but we are only going to get better.

Thank you to sponsors who have stayed with us and those who may be new to 4-H this past year. It has been financially challenging for everyone and your support is very much appreciated and needed. Hopefully you are pleased with the wonderful 4-H members we are teaching and producing some very awesome young adults to help build a better and brighter future.

It's a crazy world out there, but our job is to be there for the 4-H members. We want to make sure they learn, grow and have fun while doing it. We will keep trying to provide projects and programming that we can all be proud of and that members want to keep doing. Keep your hearts and heads open and let's put the effort in to make 2023 an even better year.

## 4-H BC Provincial Office Manager

- By Aleda Welch

With the removal of the COVID-19 restrictions in the spring of 2022, 4-H in BC was able to once again gather as a community and create meaningful connections. If the Coronavirus Pandemic has taught us one thing, for me it would be to not take one another for granted. Carving out time from our ever-increasing responsibilities and commitments to get together, enjoy each other's company and relax should be a priority for us all. I encourage you to build gratifying and rewarding connections with others in the 4-H community.

In 2022 the 4-H program continued to provide members and leaders with lifelong memories, lasting friendships, valuable skills, and a whole lot of fun! The much-anticipated return of in-person programming was evident by the high level of participation at Food For Thought, Senior Members Weekend (2022 replacement for Provincial Club Week), Provincial Communication Finals, Kamloops-Okanagan Region Catch the Clover, Fraser Valley Region 4-H to the Extreme as well as the National Members Forum program. Watching the growth of members and leaders at all levels is rewarding and inspiring for all of us.

We bid a fond adieu to BC Agriculture and Foods Minister Lana Popham in December. Thank you to Minister Popham for supporting the 4-H program in BC over the past five years. A huge 4-H welcome to Minister Pamela Alexis. We look forward to working with you to continue developing future leaders and spreading the word about the vital role agriculture

plays in each of our lives.

Thank you to our 2022 sponsors and donors for their ongoing generosity and commitment to the sustainability of the world-class 4-H program that we all enjoy so much.

The success of 4-H BC is determined by the involvement, commitment and dedication of members, volunteers and leaders; as well as the 4-H BC Provincial Council and Foundation, the 4-H BC office staff and our continued strong partnership with the Ministry of Agriculture and Foods, Youth Development Program team. Throughout 2022 the achievements of 4-H BC were attained because of the high level of dedication to the 4-H movement throughout the province by all of these groups. Thank you to all of you for your ongoing support to develop our future agricultural leaders and strengthen the communities we are all a part of.

# Minister of Agriculture and Food

- By Hon. Pam Alexis

The past year was another triumph for 4-H British Columbia. The teamwork and drive that members, volunteers and organizers consistently contribute is key to raising the next generation of B.C.'s farmers and leaders, and I'd like to thank you all for your mentorship and for making 2022 another successful year.

British Columbians are becoming more interested and aware of where their food comes from, and how it is grown. 4-H clubs deliver much needed education to students and youth throughout the province. In 2022, the Ministry of Agriculture and Food provided \$150K in funding to support 4-H clubs across B.C., helping to reach out to new and under-served demographics through projects including a new interactive display at the PNE, startup grants for new 4-H clubs, and online cooking classes.

The ministry also supported food-forward initiatives like the Food for Thought conference, and the Provincial Communication Finals which allowed 4-H youth to tour B.C. farms and learn about agriculture and food firsthand from B.C. farmers. The Field to Fork Challenge hosted in partnership with the B.C. Agriculture in the Classroom Foundation, resulted in another year of delicious recipes in the 2022 cookbook. I was delighted to chat with some of you when I joined the Field to Fork Challenge virtual conference and shared a family recipe from my kitchen and heritage, a Greek tzatziki dip that I make for every important gathering.

We all know life has its heartbreaks, and in August of 2022, the community learned of an accident that took the lives of three drivers as well as 24 dairy cows, many of whom were hand raised by 4-H members. We in the agriculture

community feel these kinds of losses acutely, as we share an intuitive bond with others who work in farming and a love for our animals. We celebrate together and we grieve together. I was inspired by the resilience and drive members showed as they continued to participate in events and helped to keep the 4-H spirit alive.

I look forward to the upcoming months and seeing the passion of 4-H members on full display in competitions and fairs all over the province. 4-H is a pivotal part of B.C.'s food heritage and vital to our goals of a local and sustainable food future. Many members of the ministry began on the road to their careers at 4-H and we hope to have members of this 4-H generation join us as well, as we work toward our shared agriculture goals.

My hope for this year's 4-H members is a continued motivation to learn and experience the wonders of agriculture and know they are helping to build a more resilient food ecosystem for British Columbia. I wish you the best in 2023!

# Youth Development Team Lead

- By Sarah van Heeswijk

In 2022 the Youth Development Program staff from the BC Ministry of Agriculture and Food was pleased to collaborate with 4-H BC on the delivery of many projects and programs for 4-H youth and volunteers. While the start of 2022 still held much uncertainty, by summer it was wonderful to see 4-H clubs gathering in-person again for activities and events. In addition to the annual grant funding, the Ministry provided extra resources this year to support new clubs and volunteers, and increase outreach to potential new members from under-represented groups. It was very exciting to see the growth and success of the online cooking programs, and the addition of several new 4-H clubs around the province.

Jarrett Chung-Smith, Lauren Bernardi and Mayra Carvajal supported the team as Youth Development Specialists in Abbotsford and Vernon, with Lauren departing for a 1-year leave in August to pursue her master's degree. Karla Barrie continued to work part time in Williams Lake as the Youth

Development Assistant. We were also happy to have the support of co-op students Salma Said from May to August, and Arabella Willows from September to December. The whole Youth Development team worked diligently this year to deliver virtual programs, including the Field to Fork Challenge, Special Educational Display Competition, Provincial Online Judging Competition, and 4-H Leader Training. While the Provincial Club Week program was unfortunately cancelled due to pandemic restrictions early in the year, we were able to deliver a full suite of in-person programs through late spring and summer including the Ambassador Program, Provincial Communications Finals, Food for Thought, and a special one-time Senior Members Weekend Program in place of Provincial Club Week. We were also pleased to release several new and updated educational resources, including new beginner units in the sheep, swine, dog, goat and poultry projects.

The Youth Development Team would like to express our appreciation for the hard work and dedication of all the 4-H BC leaders and volunteers and the investment you continue to make in the youth of your communities. We are looking forward to 2023 with optimism and anticipate 'Learning to Do by Doing' alongside the whole 4-H community in the year ahead.

# Vancouver Island

## Vancouver Island

- By Trina Gunter

2022 was all about getting back into a 4-H routine. We were able to get back to our normal activities and see faces that we hadn't seen in person for 2 years. That is not to say that it was without challenges.

The P/Q district took a year off to regroup and recruit more volunteers. I am happy to report that it worked and they are back in business. In March many members took part in public speaking, the regional event was hosted by the South Malahat district. April was Ed Boards and Demos, it was hosted by P/Q so leaders from Comox and Cowichan helped run it. In May the judging rallies were in person again, unfortunately we didn't get to have the regional judging rally as they couldn't get enough volunteers.

Vancouver Island members were anxious to get back to showing and attended shows throughout the year, starting with the Island Spring Show in April. Members also competed in Coombs, Maple Ridge, Williams Lake, PNE, Saanich, Salt Spring, Cobble Hill, Port Alberni, Comox, Powell River and Luxton. There were even members that attended shows in Alberta. We had members attending Food for Thought and Senior Members Weekend. All four of our ambassadors were from the Saanich Lamb Club and they attended many events and teaching opportunities.

An ongoing problem that was noticed at most events and fairs was the lack of volunteers and the ones that were there felt very stretched.

We are all looking forward to the 2023 year!

*Trina Gunter, Vancouver Island  
Region Representative*

# Fraser Valley

- By Ginette Keglowsch

The Fraser Valley 4-H Region had six active districts in 2022, with the addition of the new Sea to Sky District encompassing West Vancouver, the Sunshine Coast and the Squamish/Whistler areas. This district has started with a single club of juniors and Cloverbuds. The other five established districts are: Surrey/Richmond/Delta (2 clubs); Langley (5 clubs); Abbotsford (7 clubs); North Fraser (3 clubs); Chilliwack (6 clubs).

Membership was down as COVID-19 continued to impact clubs' activities early in the year. As the year progressed and COVID-19 restrictions eased, we were able to hold all regional communications events in person for the first time since the pandemic began. District judging rallies were also able to be held in person, making the 4-H members very happy to be judging live animal classes rather than photos and videos.

Summer fairs were back with full in person programs and many clubs participated in the Maple Ridge-Pitt Meadows Country Fest, Agrifair, Chilliwack Fair, the PNE and Agassiz Fair. Although numbers were down, our 4-H families were excited to be back at these summer events.

We had a full slate of Ambassadors promoting 4-H and helping clubs by judging communications, presenting workshops and generally helping out when asked. They are a great resource to our programming. Several clubs participated in a Help a Farmer Day where they assisted with agricultural land clean up after the devastating floods of the previous fall. 4-H to the Extreme was postponed from our usual March date and held in November instead. Members were encouraged to bring a friend to help recruit new members. Although it was smaller in numbers than previous years, it received great reviews from the participants who came away with new knowledge and enthusiasm for 4-H. We also had members participate in Senior Members' Weekend, Food for Thought, Provincial Communication Finals, Provincial Judging Competition, Special Topic Educational Display Competition, Online Cooking Club, Field to Fork Challenge, Photography Contest, Sunflower Growing Contest and fundraising with the Gator Lottery.

Many thanks to all of our 4-H supporters, volunteers, leaders, families and members! We are looking forward to growing our membership through 2023 and returning to pre-pandemic numbers and beyond!

*Ginette Keglowsch, Fraser Valley Region Representative*

# Fraser Valley

# Kamloops/ Okanagan

## Kamloops/Okanagan

- By Lorna Kotz

The Kamloops Okanagan 4-H Region consists of five 4-H districts; Kamloops, Salmon Arm, Armstrong/Vernon/Lumby, Kelowna, and Boundary. We had 29 active clubs in 2022. Our regional council has four virtual meetings a year, January, April and October as well as an annual general meeting in November.

In 2022 we welcomed one new 4-H BC Ambassador, who joined our two other returning Ambassadors to represent the KOK Region. They were kept busy all year and were a great help.

Regional Public Speaking was held in Salmon Arm, April 30 with 9 junior participants and 8 senior participants. Regional Demonstrations were hosted by the Kelowna district with 3 junior teams and 4 senior teams. As well our region hosts a yearly record book competition for juniors and seniors. Catch the Clover was held on October 29th in Vernon. We had a large variety of topics and included a Safety Day as well. Topics were selected for members, leaders and parents with 4-H Youth Safety leaders training being one of the options. Although overall registration was less than we had hoped for, we feel the event was a success and hope attendance will increase in this program when held again in 2024. Thirteen members from KOK participated in Food for Thought and they highly recommend this program. Senior Members' Weekend was hosted at TRU in Kamloops with 9 members from KOK participating. Provincial Communication Finals was also hosted in Kamloops at TRU, with KOK members representing us extremely well. The Special Topic Educational Display Competition had several members from our region competing and placing. Ten members from KOK participated in the Provincial 4-H Judging Rally – a virtual event held this past June.

Overall I believe our region has had a successful year. Lots of fun and successful events, club achievement days, local fair participation, district and regional events and much more. Things have been difficult trying to recover from the setbacks caused by COVID-19 and other uncontrollable circumstances, but we are coming back and look forward to 2023.

*Lorna Kotz, Kamloops/Okanagan  
Region Representative*

# Kootenay

- By Tanya Molle

The Kootenay region has two Districts with three clubs representing approximately 75 youth and countless volunteers. The last few years presented many challenges to 4-H in our region but through resiliency and determination, 2022 has been a year of growth for 4-H in the Kootenay.

Clubs in the region offered a variety of projects, including but not limited to sheep, horse, cloverbuds, beef and outdoor living. Members across the region participated in Ag for All – a workshop with hands-on demonstrations and livestock show; Safe with 4-H – safety day with experiments and safety demonstrations; Regional Communication Finals, Rally Day, and our annual Show & Sale event. The Kootenay region is fortunate to have a group of youth who are hardworking, curious, and engaged people who are leaders in their community. We are proud of their efforts in the 4-H program. Many of our members participated in programs across the province including Food for Thought, Provincial Communication Finals, Provincial Judging Competition, and the Ambassador program. The members' experiences were impactful, full of learning, memorable and tons of fun.

A program like 4-H is only as good as its volunteers and we have some of the best! One of our leaders, Sarann Press, was the recipient of the Leader of the Year Award. Thank you to the leaders, families, and other volunteers for helping to make the 4-H program a success in the Kootenay.

We have been fortunate in the region to be supported by many businesses, organizations, and individuals through sponsorship; notably, the Columbia Basin Trust and the Regional District of the East Kootenay. Thank you to all the sponsors of 4-H in the Kootenay region.

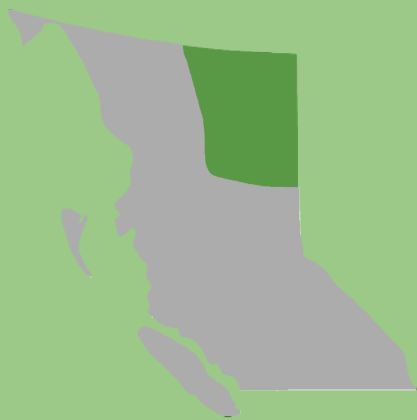

I would like to thank the Kootenay Regional Council for nominating me as the Provincial Representative for the 4-H BC Provincial Council. It continues to be a pleasure to report on the many successes in our region. It cannot be said enough just how important the 4-H volunteers, families, sponsors and of course, members are in making 4-H in the Kootenay region a success.

*Tanya Molle, Kootenay Region  
Representative*

# Peace River

## Peace River

- By Katherine Ross

I can't believe another year has flown by.

Our membership numbers are on an increase as we attempt to return to some type of normal operations. I feel a lot of families are deciding to attempt to carry on as usual bringing the kids back to their extra curricular activities.

In the North Peace we are excited to have a small engines project added to our regular programmes and look forward to having it at our achievement days. In north and south peace we will always have some limitations and challenges regarding travel and weather but I find we are willing to take on just about anything now after COVID-19, it definitely added a degree of difficulty.

We are a very dedicated group of volunteers and we are all looking forward to another year of successful 4-H members and projects.

Our members are very enthusiastic about getting rolling after such a long time of uncertainty and unpredictable situations, hopefully we can continue to offer the programmes needed to keep our members learning and engaged in all aspects of what 4-H offers.

*Amanda Stafford, new Peace River Region Representative*

# Central Interior

- By Heidi Meier

The Central Interior region continued to have great success with 4-H in 2022. The region supported over 280 members in 18 clubs. Every district was able to return to full in-person programming including year-end shows and auctions. Our region was pleased to be able to send members to Provincial Communication Finals as well as various provincial programs offered throughout the year.

Thank you to each community for your continued support of the 4-H program. We look forward to seeing you in the coming year.

# Yellowhead West

- By Robin Janzen

There are 4 districts in Yellowhead West, the Vanderhoof District, Skeena District, Bulkley Valley District and Lakes District. In 2022 our membership numbers were up, and we had a very successful 4-H year. This year our Regional Council held 2 meetings in January and April via Zoom and culminating with an in person AGM in Smithers in October. Going forward we plan to continue to have a mix of in-person and virtual meetings which will help with communication within our Region.

The Lakes District hosted the Regional Communications Event on May 14 in person. We had several participants and it went very well overall, with 3 Juniors and 4 Seniors delivering excellent speeches, and 2 junior and 3 Senior demos.

Our region had 5 applications for Food For Thought, 1 member from Lakes District and 4 from Vanderhoof District and they were all able to attend.

Vanderhoof also had a member who attended the Seniors Member Weekend and he was awarded a trip to the National Members Conference in the fall.

A very successful Yellowhead West "Land of Friendship" Junior Camp was attended by 29 members along with 7 facilitators. This Camp is for members 9 - 12 years and is a great introduction to 4-H travel and programs. The plan for next year is to add an extra day so that more activities can be enjoyed.

Vanderhoof held a full Rally and Achievement day and auction at the fair in August. Lakes district held their Achievement day in July and had a good auction after. Bulkley Valley had a spring show that went well and a great fair. Skeena did an achievement day with Cloverbuds and a safety day.

Our region unfortunately had no Ambassadors in 2022, but has 2 from Vanderhoof looking forwards to 2023.

*Robin Janzen, Yellowhead West  
Region Representative*

- The Western Producer
- Wim Zylmans Agriculture Memorial Fund
- Annie Zylmans Agriculture Memorial Fund

Operating for over 100 years, 4-H BC is one of British Columbia's longest-running and most respected youth organizations. As a non-profit organization, 4-H BC is dedicated to youth development.

The 4-H BC program provides over 2200 young people with an opportunity to learn how to become productive, self-assured adults who can make their community an excellent place in which to live. This is fostered through project and program work, experiences with other 4-H club members and leaders, and participation in district, regional and provincial programs.

# 4-H British Columbia Foundation President Report

I am pleased to provide this 4-H British Columbia Foundation report for the fiscal year Jan 1 to Dec 31, 2022. As 4-H BC Foundation becomes better known by the 4-H community, alumni and friends of 4-H, new donors are coming on board to support 4-H youth into the future.

Foundation revenues have come from investments, 4-H Club assessments, donations, and fundraising. Total Foundation assets as of Dec 31, 2022 were \$ 1,543,530.

4-H BC Provincial Council received \$ 70,000 for programs and services and \$ 12,411 was disbursed from Designated Gifts, for 4-H member scholarships and to local 4-H BC regional and district programs for a total of \$ 82,411 disbursed back to the 4-H BC community in 2022. New donations were \$ 57,674. \$ 15,000 via 4-H BC Provincial Council's annual 4-H Club Assessment Initiative was also invested. Investment earnings were \$44,480. Returns continue to be a result of a well-balanced investment policy and our investment advisors at CIBC Wood Gundy.

4-H BC Foundation continues to expand its mandate through Designated Gifts, whereby a donor pre-designates the annual earnings from their donation. Currently, five '4-H Endowments' fund specific 4-H Scholarships and two '4-H Designated Donations' provide funds to a designated 4-H Region and a designated 4-H District.

Together with 4-H BC Manager, Aleda Welch, and Fund Development Coordinator, Danusia Tarr, 4-H BC Foundation continues to move forward on fund development initiatives that fit the 4-H BC Strategic Plan. Securing sustainable resources through an 'integrated fund development and partnership strategy is essential to meeting 4-H British Columbia's vision

of "Empowered and skilled young people committed to making positive change in their communities."

4-H BC Foundation continues to encourage Planned Legacy Giving. I encourage all to consider a bequest through your will with the wording "I direct my Trustee (executor) to give to the 4-H British Columbia Foundation the sum of \$ \_\_\_\_ from my estate." Everyone benefits from the power of a planned gift ... you, your family, and 4-H as your charity of choice.

Thank you to fellow Trustees Doug Haughton, Tony DeGoot, Yvonne Roemer, Natalie Veles, 4-H Ambassador Hannah Meier, and 4-H BC Provincial Council liaison Tanya Molle. Welcome to new 2023 Trustee Matt Thurston. Thank you to all members of the 4-H BC staff team for your energy and enthusiasm.

"I know that hundreds of past 4-H BC members owe your success in family life, community involvement and career to your 4-H club membership as a youth. I invite all 4-H Alumni to reconnect with your 4-H roots and make a financial contribution to the 4-H British Columbia Foundation."
