4-H BC Board President

Heather Sarafini

As another year passes and a new year begins we see the strength in the 4-H program. We have been able to measure our success by seeing the development of our members as they proceed on their life's journeys. Our strong background in leadership, citizenship and responsibility is rewarded in every small or large achievement that our members are involved in.

We have established roots in our new office and have settled in well. We have staff members that have been with us for a long time, helping us to grow and we welcome new staff to help continue this path. We appreciate the hard work and skill that the staff brings to the Provincial office that has helped us improve our communication to the public. The improved 4-H awareness and connection with the public has been instrumental in increasing our funding from the Ministry of Agriculture, sponsorships and a new volunteer support staff. With the revamping of the website it makes it so much simpler for everyone to navigate and quickly access 4-H information.

The 4-H BC Provincial Council appreciates the dedication from all of our 4-H BC staff, Ministry of Agriculture-Youth Development Staff, 4-H BC Foundation board members, volunteer leaders, alumni, sponsors and our members for making our year successful. A thank you also goes out to the Provincial Council Board members for their contribution and assistance in making the Council a progressive board. Our aim is to inspire, educate and develop youth into empowered community leaders, just as our mission statement says. We would like to welcome Jody Watson and thank Christine Taylor for her contribution to the Council. Our programs are only successful because of the contributions made by everyone.

4-H BC Provincial Office Manager

Aleda Welch

2018 was filled with a variety of new initiatives and notable events for 4-H BC.

The year kicked off with the announcement that one of BC's own was being awarded a L.E.A.D. Scholarship at the 4-H Canada National Leadership Summit in Ottawa. This same member was chosen to represent 4-H Canada youth in Rome at the 45th session of the United Nations Committee on World Food Security. Not to be outdone, another 4-H BC member won the 4-H Canada Science Fair in Truro, NS with their impressive project "Safer Chick-ments". The winner of the Cariboo Chevrolet Buick GMS 4-H Award was yet another 4-H member chosen for her contributions to the 4-H community, mentoring younger 4-H members and dedication to agriculture in the province. These are just three examples of the many outstanding 4-H members in BC. We are extremely proud of all 4-H BC members, their accomplishments and the contributions that they make to their communities.

Through the generous support of BC Youth in Agriculture Foundation we were able to host Discover 4-H Day Camps throughout the summer. The day camps allowed us to introduce 4-H to communities in the province beyond the farm, reaching into more urban areas, while keeping connected to our agricultural roots.

Sadly, with the Rabbit Hemorrhagic Disease outbreak, 4-H rabbit shows and events had to be canceled. Thank you to all for following the biosecurity procedures that were put in place to reduce the spread of the disease and keeping our furry friends safe!

While visiting with Heather Serafini, 4-H BC Provincial Council President, and local 4-H youth in Cranbrook in September the Honorable Lana Popham, Minister of Agriculture, announced the BC Ministry of Agriculture's continued support of 4-H BC with an increase of \$63,000 over previous years. The additional funding was used to increase the internal capacity of 4-H BC Provincial Council in order to address important emerging needs such as comprehensive farm safety programming for youth, support for new clubs and volunteers, and outreach to potential new members from under-represented groups such as indigenous and urban youth.

There were many exciting things happening at the fall Provincial 4-H Leaders' Conference in Kamloops. 4-H BC announced our continued partnership with PrairieCoast Equipment who have once again donated 2 John Deere TX Gators to be prizes in the 2019 4-H BC Lottery. The Ralph and Mae Barichello Leadership Award was presented to Ellen Deglan. Congratulations Ellen! 4-H BC also hosted a full day of Key Leader training which was held simultaneously with the Progressive Agriculture Safety Training workshop.

Although there were some staff changes throughout the year, the level of service to the 4-H community and stakeholders remained strong. Belinda Field, Fund Development Coordinator, found her stride increasing Provincial partner contributions as well as donations to the 4-H BC Foundation. Our fresh new look for our website and promotional brochures was born from the creativity and expertise of our new Communications and Marketing Coordinator, Tracy Austin. I look forward to working with new team members Gwen Dell'Anno and Marie McGivern in the coming year.

In the end the success of 4-H BC is due to the dedication of members, volunteers and leaders. Through the commitment and leadership of 4-H BC Provincial Council and Foundation, the hard work and excellence of the 4-H BC office staff and our continued strong partnership with the Ministry of Agriculture, Youth Development Unit, 4-H BC will continue to be the youth program of choice.

Minister of Agriculture

Honorable Lana Popham

2018 was a wonderful year of teamwork and collaboration with many members of the agricultural community.

4-H BC connects farming, leadership and youth in so many communities in B.C. Your programs provide safe places for young people to learn more about and prepare for many careers, including those in agriculture. Your clubs provide guidance and mentorship to youth in the communities you are part of, and the events you host connect club members across the province, Canada, and the world, building lasting friendships and networks. Even more impressively, your clubs are volunteer-powered in farming communities all over B.C.

I'm passionate about this organization and the work that you do, which is why I was happy to announce support for 4-H BC with a \$150,000 investment per year for the next three years. I'm also continuing to work on supporting farmers in the province through Grow BC, Feed BC, and Buy BC, which together, will help increase the demand for locally grown foods and support B.C. farmers by increasing the demand for their skills as well.

There's still a lot of work to do to help agriculture grow and I look forward to working with you to keep helping young, new and future farmers grow, raise, and harvest food in B.C.!

Ministry of Agriculture **Youth Development**

Sarah van Heeswijk

Youth Development Programs Staff from the Ministry of Agriculture continue to work with 4-H BC to build leaders in agriculture and in our communities. 2018 was a very productive year as the Ministry provided additional funds to 4-H BC to augment farm safety programming for youth, support new clubs and volunteers, and increase outreach to potential new members from under-represented groups. A highlight this year was the inaugural delivery of Progressive Agriculture Safety Coordinator Training, which will leverage the delivery of 10 Progressive Agriculture Youth Safety events around the province in 2019.

In February Cheryl Chevalier joined the Youth Development team as a Specialist based out of Abbotsford. Jarrett Chung-Smith worked in Vernon as a Youth Development Specialist. Karla Barrie continued to work half time in Williams Lake as the Youth Development Assistant. The whole Youth Development staff, along with co-op student Lana Harach, and intern Kwiigay Kennedy, worked diligently this year to deliver programs including: 4-H to the Extreme, Catch the Clover, Proudly Presenting Agriculture educational displays at the PNE, the Ambassador Program, Provincial Club Week, Food for Thought, Provincial Communications Weekend, New Leader Training, and Provincial 4-H Leaders Conference.

Hellen Keller once said “alone, we can do so little; together, we can do so much.” The 4-H community in British Columbia certainly embodies that statement through the tremendous dedication and hard work of 4-H volunteers’ province wide. The Youth Development team including Sarah, Karla, Jarrett, and Cheryl would like to recognize all the volunteers for your support of our efforts to deliver agriculture and leadership education provincially.

Regional Reports

Central Interior Region

2018 was a very productive year for the central Interior region. All clubs increased in enrollment with new clubs forming as well. All districts participated in district and regional communications events. Regional communications was hosted in Prince George! It was an honour and privilege to have a city council member as a judge. The winners of the regional communications in demos went on to provincials winning first place.

Many members took advantage of the 4-H travel opportunities with fantastic reviews and learnings being brought back to the clubs. Quesnel participated in a club to club exchange with Ontario, a great time was had by all, and life-long friendships were made.

Leader training took place in Prince George with a full house yet again.

All districts in the region hosted Judging Rallies. Thank you to our ambassadors for helping out with these. It was great to have a mini judging clinic after to help us develop our skills. It was exciting to see Quesnel join back with their fair committee for very successful Show and Sale and Achievement Days. Prince George had a great Achievement Day and record numbers at their auction with great support from their community. Williams Lake had a great Achievement Day and a fantastic Show and Sale also. We had fantastic ambassadors this year who helped out with many district events. Looking forward to having Frisco attend this year.

2019 is going to be an exciting year! Thank you to all the volunteers, leaders and parents who make our region amazing.

Respectfully submitted by: Carlene Heppner

Kamloops Okanagan Region

The Kamloops Okanagan 4-H Region consists of the following districts; Kamloops, Salmon Arm, Armstrong/Vernon/Lumby, Kelowna, and Boundary. The Similkameen District has not been active for the last year with the one remaining club joining the Kelowna District. There is a possibility of a new club in the area, but we don't know yet if they will restart the Similkameen district or join another.

2018 was another successful year for the clubs in the region. Although online enrollment was a challenge in 2018, most people seem to be having an easier time with the process this year.

We had successful leader training and have almost all of our leaders up to date. A few still have this year to catch up.

The 4-H Provincial Leader and Key Leader training was held in Kamloops this year. At the same time Progressive Agriculture did a training for Safety Day co-ordinators, so we will have

more safety days in the province in 2019.

Catch the Clover was held at a different venue in 2018 and was a great success. The council has decided to try doing a safety day on the years that we don't have Catch the Clover, so we have a safety day coming up in October 2019 using Progressive Agriculture.

The Region was busy with each district doing their own Rally day, lots of members attending various fairs, and other activities such as The Okanagan 4-H Stock Show and Summer Sizzler.

We added junior members to our Regional Communications competition, but found it difficult time wise and location wise. Will try again this year with one district hosting speeches and a different one hosting demonstrations. We also have a regional record book competition. Each district sends their top 2 junior and top 2 senior record books to be judged. Some amazing books out there.

Many of our members attended provincial programs and came back thrilled with their experience.

A big thank you to all of the leaders and volunteers that helped make everything happen. All in all it was a good 2018 in 4-H here in the Kamloops Okanagan Region and we look forward to 2019.

Respectfully submitted by: Lorna Kotz & Deb Goertzen
Kootenay Regional Events 2018

Kootenay Region

The Kootenay Region consists of six clubs. We have projects in Beef, Sheep, Swine, Dairy, Horse, Rabbit, Small Engine, Foods, Crafts, Clothing, Field Crops and Cloverbuds. The Creston District has two clubs and the Cranbrook District has four clubs.

In September all clubs participated in local fairs in Creston, Jaffray and Fort Steele. Creston held Achievement Days in August and September. October started registration in the Cranbrook area. In November, Cranbrook held their Beef weigh in and in February Sheep and Swine weigh in was done. December is spent giving back to communities with visits to homes, caroling, running Salvation Army kettles, meals for elderly and sponsoring families and children in need. Creston generally starts in January. Regional public speaking was held in March with our top senior going on to provincials. April was our first "Open Show" and it was well attended by our members, alumni, parents, sponsors and volunteers from all over the region. It was the highlight of the year as members from all projects learned proper grooming, husbandry and showmanship for beef, sheep and swine. It was a two-day event that educated everyone. Later in the month we had leader training for the region in Cranbrook. Our Judging Rally was held in May and this also included Achievement

Regional Reports cont.

for dress revue, craft displays and educational displays plus safety activities for the Cloverbuds. In June Cranbrook and District held their annual Show and Sale event with invitations to Creston District to attend. This is the culmination of our animal projects in the district. We were also fortunate to have senior members travel to different programs during the summer months.

We would like to thank our Ambassador for her assistance and her representation to our region. We value all the hard work from our volunteer leaders and parents and are very thankful for our community support.

Respectfully Submitted by: Heather Serafini

Peace Region

The Peace 4-H Region consists of the North & South Peace Regions. Members participated in Beef, Sheep, Swine, Wool craft, Clover bud, Photography, Dog and Horse Projects in the Region. Hopefully for next year we are looking forward to starting Outdoor Living.

2018 was another successful year for the clubs in the region. Online enrollment had a few new challenges but overall turned out to be very successful. Membership numbers stayed similar to last year.

We started off the year with a few members showing their cattle at Peace Country Beef Congress and many more members participating in a judging practice seminar. District and Regional Communications was held and well participated in. North Peace Judging Rally numbers were a little low on senior numbers but the clubs and members have been working hard to change it up and add some excitement for 2019.

A few of our members attended Provincial Club Week and Food For Thought, coming back with many stories about their experience that they shared with younger members.

Both South and North Peace had successful Achievement Days and Sales.

We ended the year with lots of changes in District Executive/Regional Council and Provincial Council, so it will be a learning year in 2019 for everyone. A big thank you to all of the leaders and volunteers for all that goes into making a successful 4-H Year for all our members.

Respectfully Submitted by: Jody Watson

Vancouver Island Regional Report

For 2018, Vancouver Island Region charts another successful year. Member and leader numbers remained about the same with a slight increase in junior members due to our very successful Cloverbud program being offered in many districts. Regional Public Speaking was hosted in the Cedar District and Regional Educational Boards and Demonstrations were hosted by Comox/Powell River. All districts continue to send the maximum allowed entries for all competitions

and we had some members carry on to Provincial level with their communication skills. Our Ambassadors worked enthusiastically all year and assisted in many club, district and regional events, and attended local fairs on and off the island with the biggest time being spent at the P.N.E.

Once again, Regional Junior Camp was held at Camp Pringle and the Regional Intermediate Camp, Surviving The Challenge was held at Strathcona Park Lodge. Both camps filled their quota in attendance and were reported to be huge successes. We thank the volunteer coordinators, facilitators and chaperones for giving their time up during Spring Break and Victoria Day weekend, because without them we would not be able to operate.

2018 saw the return of the Regional Judging Rally hosted by Parksville/Qualicum. It has taken a few years to regroup and encourage members to attend this event. There was a loss of interest for a while after The South Coastal Judging Rally event was canceled but that is picking back up. The venue changes from district to district each year but we all pull together to make it happen.

The Island Spring Beef Show continues to be a successful yearly event.

Several Island Districts have auctions at their Fairs or after them and are all well supported with happy members planning their next livestock or static projects for the coming year, or putting away their money for future education expenses, and happy customers with new breeding stock, custom cuts to fill freezers, beautiful photography to adorn homes and creations for gardens.

Vancouver Island 4-H members have a strong presence within their different communities. Participating in a wide range of events in the region which included local parades, community picnics, community family days, hospital and senior visits and local store customer appreciation days, the members mix, mingle, entertain and educate.

Districts offer 4-H events for their members or other social activities such as dances, awards nights, teen night at the local rec centre, barbeques and festive ice skating sessions to wrap up their awesome year and celebrate everyone's individual and club achievements.

As with other regions we face trials and tribulations within the districts and clubs so we are grateful and encouraged by the fact that we can come together as a region to work out the glitches and celebrate our successes

I would like to thank the Vancouver Island region for having me as their representative at the Provincial level. I'm very honoured to represent our region's exceptionally dedicated and talented members and leaders. I wish to give a Big Standing O to the many Leaders and volunteers for their tremendous amount of effort and time given to lead our youth into the future.

Respectfully Submitted by: Jean Stevens

Regional Reports cont.

Fraser Valley Region

Here we are, just over a month away from turning the calendar once again, and I'm writing my final Vice-Presidents report. 2018 was another successful year for the Fraser Valley Region.

This year we started off by hosting 4-H to the Extreme. Another very successful, well attended event that was once again organized by a great group of volunteers. A wide variety of topics ensured that there was something for everyone. There were 194 participants this year. PCW was held over spring break again. Our region filled 9 out of a possible 14 spots.

2018 marked the return of Food For Thought, another well attended event that the members look forward to each year. Our region sent 5 members. The communications event was held in Kamloops this year. Our region sent 2 demo teams, but unfortunately no speakers this year.

Ellen Deglan from the Langley District was well-deserved in winning the Barichello award as the Outstanding Leader in the Province.

The Otter Coop bursaries garnished much interest again this year, with 11 applications submitted.

Claire D.- Langley, Rheanna K.- Chilliwack, Isabelle L.- Chilliwack, Fabien K.- Chilliwack, Paige O.- Chilliwack, Naomi C.- North Fraser, Jessica K.- Abbotsford, Tamara A.- Abbotsford. Eight were awarded this year instead of 7, because the Otter award for Armstrong was not awarded.

There were 16 applications for the Scotia Bank award, which was won by April M. - Langley.

Once again this year I have to be sure to thank all the volunteers and parents that put countless hours into the 4-H program. Without your help, this program would not be as successful as it is. As well, to all the sponsors that help with the financial end of things that helps ease the burden for our families. Thanks for another great year.

I have thoroughly enjoyed my time as Vice-President of Council and have been lucky to work with a great number of people that are passionate about 4-H. At this time, I think its time for me to step aside as Vice-President and allow somebody with new ideas to take my place.

Respectfully submitted by: Matt Langelaan

Yellowhead West Region

2018 in the Yellowhead West Region was full of successes as well as challenges, but the year ended with many accomplishments.

This year we had 3 members attending Provincial Club Week from the Skeena and Vanderhoof Districts. Reports received from these members were so positive about the program and what they had learned.

'Over the course of the week, I learned self confidence, and have gained more gratitude towards my peers, and myself. We had sessions on communication, looking at our pasts, and deepening our connections with oneself. We spent time learning the importance of tone, and to check things out as we all have different values. The facilitators brought fun to every activity, and were able to teach us all something. Not only did the organization sessions help me evolve as a person, but also the time at the program allowed us to connect with one another.' Kayla H.

We had 10 applications for Food For Thought from our four Districts: Skeena, Bulkley, Lakes, and Vanderhoof and were fortunate enough that they were all able to attend. Most members submitted reports after the event, stating that it was a very positive and educational experience and they were happy to attend.

Regional Communications were held in Burns Lake, having members from Vanderhoof, Bulkley, and Skeena attend. There were two demonstrations and 10 members public speaking.

Judging Rallies were held in various districts, and a 4-H Family Day was hosted in Burns Lake as a Junior Leadership Project. Members attended from the Lakes and Bulkley Districts; presenters were from Fort St. James, Vanderhoof, Fraser Lake, Burns Lake, and Grassy Plains. The day was very successful, despite the weather.

Our annual Regional Junior Camp was held in Vanderhoof again at Tachick Lake Resort. Eighteen members attended and the theme was Rodeo and included a murder mystery activity. Registration was extended to the Central Interior, to increase attendance. The members had a great time and were very excited about the activities. Thank you so much to the Vanderhoof District for hosting again this year.

Members from the Skeena District participated in a very successful Fun Day hosted by one of our regional ambassadors at their local community grounds. The event was open to the public as a community service event to give back to Terrace.

Achievement days were hosted in Skeena, Bulkley, and Vanderhoof Districts. All reported that the events were successful and well attended. Most of the Lakes District 4-H members were put on evacuation order at the beginning of August. Families left their homes and were able to get themselves and their 4-H project animals to safety but were gone for some time, with some not being taken off alert until mid October. This extended past the regular achievement day and other arrangements had to be made. Tanya Belsham of Poplar Meadows Angus very kindly invited the Beef members to show and sell at the annual Shades of Autumn sale. She and Lia Long arranged the judges, pens, and auctioneer and made it possible for these beef members to have a very successful show and sale. Swine members were also unable to sell until October, but had a successful show and sale. The Lakes District members are so grateful for the huge support they received from 4-H Alumni like Lia Long, Tanya Belsham, and Jim & Shirley Moon. *Respectfully Submitted by: Deanna Lambert*

The ambassador team had a productive year in 2018. All eighteen ambassadors completed their achievement requirements. Some highlights of the Ambassadors work this year include:

- 14 community service projects
- 37 thank yous to regional and provincial 4-H sponsors
- 14 articles submitted to various publications
- 61 4-H promotions at public events
- 20 project and program workshops to 4-H clubs
- 25 opportunities to act as the official judge for 4-H competitions
- 90 reports of hosting or helping with 4-H events

Ambassadors completing their commitment at the end of February 2019 include:

- Vancouver Island – Spencer W.
- Fraser Valley – Katriana Van W.
- Kamloops/Okanagan – Calvin F., Mia W., Tristan W. and Sara Kate S.
- Kootenays – Hannah B.
- Yellowhead West – Sydnee S.

Thank you to the graduating ambassadors for two years of great work!

The winner of the Outstanding Ambassador of the Year Award for 2018 is **Hannah Boulton** from the Kootenay Region.

We will be selecting a new Provincial Council representative in May at our annual training weekend; until then Hannah Boulton will continue to represent the Ambassadors on council. Sara Kate Smith will continue represent 4-H BC on the 4-H Canada Youth Advisory Committee until the end of 2019.

We're looking forward to another exciting year of ambassador work ahead.

4-H BC Foundation President

Gordon Bryant

I am pleased to provide this 4-H British Columbia Foundation report for the fiscal year Jan 1 to Dec 31, 2018.

As 4-H BC Foundation becomes better known and understood by the 4-H community, 4-H alumni and friends of 4-H, new donors are coming on board to support 4-H youth into the future.

Foundation revenues have come from investments, 4-H Club assessments, donations, and fundraising. Total Foundation assets as of Dec 31, 2018 were \$ 1,490,765. Returns continue to be a result of a well-balanced investment policy and our investment advisors at CIBC Wood Gundy. Accumulated 2018 disbursements to 4-H BC Provincial Council were as follows. \$73,782 for ongoing Provincial 4-H Programs and services, \$12,815 for Designated Gift initiatives and \$50,470 for the Extraordinary Funds initiative.

4-H BC Foundation continues to expand it's mandate through Designated Gifts, whereby a donor directs the annual earnings from their donation to go to a specific 4-H program or 4-H Region or 4-H District. In 2018 the Foundation received it's fourth 4-H Endowment to be known as the Nancy Loreth Memorial Scholarship, which will result in a new annual \$500 4-H Provincial Scholarship starting in 2019. Together with two 4-H Designated Donations, 4-H BC Foundation now administers six 4-H Designated Gifts.

Together with 4-H BC Manager, Aleda Welch, and Fund Development Coordinator, Belinda Field, 4-H BC Foundation is moving forward on fund development initiatives that fit with the 4-H BC Strategic Plan. Securing sustainable resources through an "integrated fund development and partnership strategy" is essential to meeting a strong and growing 4-H British Columbia vision of "Empowered and skilled young people committed to making positive change in their communities."

Thank you to contributors to the Field of Clover, and the first Online 4-H BC Auction. 4-H BC Foundation continues to encourage Planned Legacy Giving from 4-H Alumni and supporters. I encourage all to consider a bequest through your will with wording "I direct my Trustee to give to the 4-H British Columbia Foundation the sum of \$ ____ from my estate." Everyone benefits from the power of a planned gift.... you, your family and 4-H as your charity of choice.

4-H BC Foundation continues to grow beyond being the "best kept 4-H secret going." 4-H Leaders and parents are encouraged to be passionate about your Foundation and make referrals of potential donors who express an interest in donating. Foundation Trustees and 4-H staff welcome the opportunity to speak with potential donors to provide information on the various ways to donate to the Foundation, support 4-H youth, and receive a charitable tax receipt.

Thank you to fellow Trustees Brian Baehr, Barry Remus, Tony DeGroot, Doug Haughton, Mary MacGregor and Mark Nairn. A special welcome to Lynn Lashuk, who is joining the Foundation starting in 2019. Thank you to 4-H BC staff Aleda Welch and Belinda Field, and all members of the 4-H BC staff team for your energy and enthusiasm.

"I know that there are hundreds of past 4-H BC members, who owe their success in family life, community involvement and career to their 4-H club membership as a youth. I invite all 4-H Alumni to reconnect with their 4-H roots and make a financial contribution to 4-H by donating to 4-H British Columbia Foundation." See www.4hbc.ca "Support 4-H" ... "Donate Now". See 4-H BC Foundation for more information.

I look forward to a successful 2019 4-H year, especially working together with PrairieCoast Equipment on the 4-H BC Lottery to support 4-H Clubs, Provincial Council and 4-H BC Foundation. Watch for ongoing outreach to 4-H Alumni, and other new initiatives in 2019.

4-H BC In Memoriam Donations

Since 1995, donations have been made to the 4-H BC Foundation in Memory of:

- Floyd Adams
- Aaron A. Anderson
- Betty Anderson

Deficiency of revenues over expenditures	\$ (159,681)	\$ (43,984)

REVIEW ENGAGEMENT REPORT

To the Board of Directors of 4-H British Columbia Provincial Council

We have reviewed the statements of financial position of British Columbia 4-H Provincial Council (the "Council") as at December 31, 2018 and the statements of operations, changes in net assets and cash flows for the year then ended. Our review was made in accordance with Canadian generally accepted standards for review engagements and, accordingly, consisted primarily of enquiry, analytical procedures and discussion related to information supplied to us by the Council.

A review does not constitute an audit and, consequently, we do not express an audit opinion on these financial statements.

Based on our review, nothing has come to our attention that causes us to believe that these financial statements are not, in all material respects, in accordance with Canadian accounting standards for private enterprises.

Chartered Professional Accountants

4-H BC Provincial Council

STATEMENT OF CASH FLOWS

Year ended December 31, 2018 with comparative information for 2017 (Unaudited)
