THE 4-H MISSION

The B.C. 4-H Program will strive to develop the skills in our youth and volunteers to achieve personal development, leadership awareness, citizenship and a sense of community in an exciting and challenging environment.

THE 4-H VISION

A high profile youth organization with 4-H members and volunteers exhibiting leadership and personal pride in the British Columbia 4-H program and working together with a variety of partner organizations in an environment of increased self reliance.

Another year has flown by and my role as President of B.C. 4-H has certainly been busy. It has been a roller-coaster of challenging and rewarding times. The greatest reward is attending the many different

events and to witness the many faces of 4-H having fun, sharing ideas and learning together.

Again, without the assistance of the Provincial Reps from the various regions as well as the dedication and hard work of our B.C. 4-H staff we would not be the strong organization that we are today. Many of our successes in programs are also accredited to the partnership with the Ministry of Agriculture and the Youth Development Program staff. I thank them for their generosity, time and effort to our program.

The time spent by Provincial Council members in making the decisions for the entire province is appreciated. I believe we have become a very strong and cohesive team and have always kept our 4-H members at the top of our minds when making those decisions. The Provincial Council and B.C. 4-H staff worked diligently to work within our financial restraints and are pleased to report that we are once again on track and we have been able to rebuild our contingency fund.

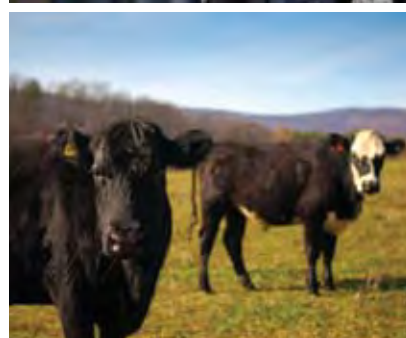

B.C. 4-H Foundation continues to be committed in providing their expertise and knowledge in our investments. This year we are losing long term chairperson, Aubrey Searle. We thank him for his many years of volunteering on the Board and for working so hard to maintain sponsorship and build the business relationships.

With any non-profit organization, its successes would not be possible without the many volunteers. 4-H continues to have a strong volunteer base and I thank all of you for the tremendous amount of hours put forth to help our youth become leaders.

To our current sponsors and donors, B.C. 4-H continually appreciates your generosity and thank you for investing in a program which we believe can only get bigger and better.

As we bid farewell to long-term Board member, Whitney Moutray (Yellowhead West) and Glenda Reid (Fraser Valley) we welcome new Board members Leanne Kindler (Yellowhead West), Lee-Anne Pighin (Kootenay), Al Dejong (Fraser Valley). Together with our head, heart, hands and health we will work to increase our membership and guide the organization forward.

Susy Chung-Smith
President

It has been another busy year for 4-H around the province and many great successes for the 4-H community. One outstanding success for the 4-H community was the province wide lottery draw!

PrairieCoast Equipment partnered with B.C. 4-H for a very successful lottery with over 92% of tickets being sold and over \$14,000 going directly to the clubs that participated in the lottery and over \$20,000 being raised to be shared between the B.C. 4-H Provincial Council and Foundation.

With the launch of the Field of Clover campaign, many donors supported the 4-H Foundation with donations of \$25 or more to plant a virtual clover in our field for the future of 4-H in BC. This tremendous amount of support for the continuance of 4-H around the province remains to show that there is a strong belief and dedication to our program by the 4-H community and donors.

In 2011 we also began the design and development of an electronic, online enrolment database system. Although some challenges were faced in the initial stages, we look forward to launching this initiative which will provide clubs and B.C. 4-H the opportunity to be more environmentally friendly. The introduction of new service supply items including B.C. 4-H coffee and license plate holders; the development of promotional brochures showcasing the variety of programs that are offered and relocating the provincial office to Vernon have all been successful because of the amount of support from the 4-H community.

Without a strong volunteer base to lead our clubs and provide the guidance to members to become self-assured, positive influences within their community, 4-H would not be the strong organization it is today, thank you. The success of B.C. 4-H is attributed to the dedication and support of members, leaders, volunteers, the B.C. 4-H Provincial Council and Foundation, staff, sponsors and donors and the strong partnership with the Ministry of Agriculture, Youth Development staff. Thank you to all of you, you truly are an incredible team to work with and I am proud to be a part of one of the best youth development programs.

Adrienne Smith
Manager

As 4-H Club members, you are the future of agriculture in British Columbia. For almost 100 years, the Ministry of Agriculture has worked closely with B.C. 4-H to provide programs and education to ensure that a new generation of farmers and agriculture enthusiasts will be ready to lead the B.C. agrifoods sector.

From young Cloverbuds just starting in 4-H to Senior Members, you are all part of an important program that not only provides you the opportunity to meet new friends but will

enable you to develop invaluable life skills.

The new B.C. Agrifoods Strategy supports the 4-H program as a vital part of the agriculture industry in British Columbia. The time that you spend at the country fair helps to build community awareness about farming because people can see firsthand where our food comes from. I thank you for that.

I'd also like to thank the adult volunteers for helping to mentor the new agriculture leaders of tomorrow. Without your dedication and assistance, the 4-H program could not exist.

I am confident that the 4-H program will continue its good work. Your commitment to agriculture will help sustain the industry for many generations to come.

Don McRae
Minister of Agriculture

As we continue to build capacity and understanding in youth to become the agriculture leaders of tomorrow our partnership with B.C. 4-H remains strong. We were pleased to have Meghan Ansell on staff for the first half of the year while Laura Code was on an educational leave. Meghan lead the first 4-H youth program of the year "Agri-Career Quest", a great look at the career opportunities in our diverse agriculture sector. Other highlights of the year included the ever popular B.C. 4-H Ambassador program, 4-H Leader training in 7 different places of the

province, Island Rendezvous workshop day on Vancouver Island, 4-H Family Frenzy workshop day in Williams Lake, Clover Crew in Smithers and the South Coastal 4-H Judging Weekend in Maple Ridge. The Chilliwack Exhibition was the host of the 2011 Provincial 4-H Communications Finals and the PNE hosted over 80 "Feed the Bees" Educational Displays that encouraged people to plant flowers that feed our agriculture crop pollinators. The continued agriculture education through these programs is remarkable, the future of agriculture in our province is in good hands!

The Youth Development staff also were able to get all project resources updated for electronic download or DVD distribution. We are pleased to offer these great learning tools to 4-H Leaders and families in the most accessible forms. As the B.C. 4-H website platform is updated in 2012 we will be launching online 4-H Leader training as well. The BC Ministry of Agriculture, Youth Development staff team of Karla Barrie, Sarah van Heeswijk, Laura Code and Pat Tonn is dedicated to working with B.C. 4-H staff, volunteers and 4-H members in building the agriculture leaders of tomorrow... today.

Pat Tonn, Manager
Youth and Community Development Programs

CENTRAL INTERIOR REGION

The Central Interior Region had another successful year with our three active Districts.

The Williams Lake District, held our Family Frenzy in the fall of 2011. The skills acquired, along with the friendships made, are still spoken of by the participants.

Unfortunately some courses were cancelled due to low enrollment but we are hopefully to offer them again at our next Family Frenzy in the fall of 2013.

Our Ambassador, Amy from Williams Lake, made herself available to the whole region and is a definite asset for all.

Members attending Youth Action, Communications Finals, South Coastal 4-H Judging Rally, and other events featuring 4-H, keep on learning and forming new friendships. No matter how much we as leaders talk about programs and opportunities once a member attends a program members come back with enthusiasm and a desire to do their best to participate further within 4-H.

Joyce Foxcroft

FRASER VALLEY REGION

Two representatives from each of our 5 Districts met four times over the year to provide the link between the Districts and the Provincial Council. As well, our committees often met for delegate interviews, planning sessions and updating of policies and procedures to keep the 4-H program running successfully in the Fraser Valley.

The Wilbert Miller Memorial Award was awarded to Jennifer H. of Chilliwack this year. Many applications were received.

All of our Regional Ambassadors achieved in 2011 and we thank them for their participation-Sarah, Chad, Anna, Naylene and Beatrice.

The Fraser Valley Region hosted South Coastal 4-H Judging this year in Maple Ridge and Provincial Communication Senior Finals were held at the Chilliwack Fair. Many of the valley clubs attended the local fairs and the PNE showing their projects and making new 4-H friends.

As this is my final year as your FV Regional Representative to Provincial Council, I want to thank the Region for this chance to serve in this manner. For me, it has been a "Learn To Do By Doing" opportunity and I have had the pleasure of meeting with representatives from the whole province and the country during the past 6 years. I offer my best wishes to the Provincial Council as they continue to take responsibility for decisions to keep 4-H the best youth development program in the country.

Glenda Reid

KAMLOOPS OKANAGAN REGION

The regional council held its annual general meeting in October and elected a new executive:

President – Deb Goertzen

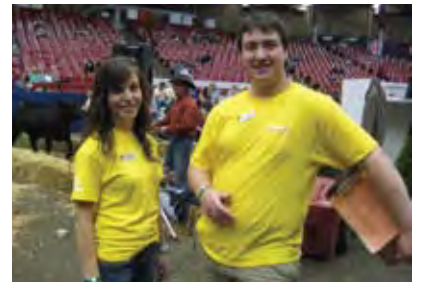

President Elect – Joni DeWitt

Secretary – Diana Dore

Treasurer – Joanna Hay

Provincial Council Representative – Lorna Kotz

The past year has been a busy and successful year for our region. Our Regional Record Book competition showed an example of some of the amazing work our members are doing. Our ambassadors were very busy and we are sorry to see two of them step down, but excited for the two new ones coming on. Some districts are looking at some prospective new clubs in their areas; hopefully we will see that as the enrollments

come in. Rabbit and gardening are two projects that may start next year. The region continues to provide Leader workshops for continued networking, support and development of the leaders.

Lorna Kotz

KOOTENAY REGION

2011 was another successful year for the members and leaders of the Kootenay Region. Club memberships have increased and the cloverbud participation continues to rise as well. Members from Creston Valley Dairy Club, Creston Valley Horse Club, South Country Crafts & Critters and Wasa & District clubs got together several times throughout the year to participate in some of the key 4-H events that were hosted throughout the region. Meghan Ansell came to the region for a Leader Training weekend that was held at the College of the Rockies in Cranbrook.

On March 4, 2011, Cranbrook & District hosted the Kootenay Regional Public Speaking competition. The top three seniors and top three juniors from each of the two districts presented their speeches to a captive audience in the lecture theatre at the College of the Rockies in Cranbrook. Alexandra H. took first place in the Senior class and went on to compete at the Provincial 4-H Communication Finals.

Once again historic Fort Steele was the ideal setting for Regional Rally Day. The event took place May 12, 2011, and was also hosted by Cranbrook & District. Members from throughout the region were given the opportunity to select from a host of judging classes including beef, horse, swine, goats, crafts, photography and bees. Educational displays were displayed in the theatre foyer and the dress review was presented from the main stage in the historic theatre.

South Country Crafts & Critters hosted their annual camp weekend in September at Rock Lake. Members and their families from throughout the region are invited to attend the weekend event. This was an ideal opportunity for the participants to work together as a team and “learn to do by doing” as they competed in various “Survivor” type activities. This was an exciting challenge for all who participated. Add to this, the blazing bonfire, the fabulous food prepared by parent volunteers and leaders, the evening games and crafts and the comfy heated cabins to sleep in and you can see why this weekend is a favorite amongst all Kootenay members. The event was a huge success again this year and special thanks go out to organizers and volunteers who make it all possible.

The Kootenay Region is very excited to have Alexandra as our ambassador for 2012. We are looking forward to another exciting year.

Lee Ann Pighin

PEACE RIVER REGION

The Peace River Region continues to flow along with its two districts engaging the youth of the area, and developing their talents.

Both our Ambassadors are working through their second year. They have been very active with the clubs and greatly appreciated. Their biggest job now is finding someone to fill their boots. I'm sure they have their eyes set on some candidates and are priming them up now.

It seems like they are putting fewer weekends in the calendar these days, but we finally came up with one that worked for regional communications. Who needs all those days off at Easter anyways! Thank you to the North Peace district for putting it together.

This year saw two Achievement days in the North Peace. Prespatau 4-H Beef Club held theirs in June and the District sponsored one the third weekend in July. Next year will see a change of the District one moving to a Friday/ Saturday and Prespatau rejoining them.

August brings the Dawson Creek Fair to life and a whole lot of fun. South Peace has some of their members achieving there and this year North Peace took some animals down to join the fun. They had a couple of female beef projects in the 4-H show and steers showing in the open classes. The weather was great during the day and the dust was settled at night. 50/50 ticket sales continue to be a great fund raiser for 4-H and this year was no exception. Thank-you to all the supporters.

Hope to see you all next year.

Rick Kantz

VANCOUVER ISLAND REGION

For 2011, Vancouver Island Region charts another successful year. Member and leader numbers remained about the same as 2010 with a slight increase in junior members due to our very successful Cloverbud program being offered in many districts.

Regional Public Speaking was hosted in the Cedar District and Regional Educational Boards and Demonstrations was hosted by Comox. All districts continue to send the maximum allowed entries for all competitions and we had some members carry on to Provincial level with their communication skills. Our Ambassadors, Daniel, Nigel and Jarrett, worked enthusiastically all year and assisted in many club, district and regional events, as well as attended local fairs on and off the island with the biggest time being spent at the P.N.E.

Some of our highlights for 2011 were the attendance of members at South Coastal 4-H Judging Weekend in Maple Ridge and having a number of our seniors fall within the top 10. Island Rendezvous was held in Parksville with over 90 people attending different types of mini workshops. The region thanks the Ministry of Agriculture and B.C. 4-H for giving our region the opportunity to hold such an event.

Once again, Regional Junior Camp was held at Camp Pringle and the Regional Intermediate Camp, Surviving The Challenge was held at Strathcona Park Lodge. Both camps filled their quota in attendance and reported to be huge successes. We thank the volunteer coordinators, facilitators and chaperones for giving their time up during Spring Break and Victoria Day weekend, because without them we would not be able to operate.

Fundraising remains strong and with the assistance of our Sponsorship Agreement with Thrifty Foods our expenses for Regional events has been reduced tremendously. We are thankful for the support that Thrifty Foods give us to cover the cost of food, awards and venue rentals. Vancouver Island continues to have a strong presence within the different community events in the region which included local parades, community picnics, community family days, hospital visits and local store customer appreciation days. The selling of 4-H member projects continues to be well supported by local businesses and families. Individual districts have also benefitted by receiving gaming funds to help them with their specific initiatives.

A number of different district events were held involving members at other social activities such as dances, awards nights, teen night at the local rec centre and barbeques.

I would like to thank the Vancouver Island Region for electing me to represent them at the Provincial level and I wish to give credit to our success to the many volunteers and for their tremendous amount of effort and time given to lead our youth into the future.

Susy Chung-Smith

YELLOWHEAD WEST REGION

2011 was another successful year for the Yellowhead West Region, although membership was down. The Snowflake District and the Lakes District did not have Clubs this year. We are hoping they will rebuild in the future.

We had two new Ambassadors – Vicki and Ruth from the Bulkley Valley District.

We were fortunate enough to be able to host Clover Crew Training in conjunction with our Spring Regional Council Meeting and Leader Training. It was a well attended event and enjoyed by all.

April 30 was the Regional Communications event, hosted by the Bulkley Valley. Vicki was the top senior public speaker with Jordan topping the juniors. For demonstrations top seniors were Charlotte and Juanita with Josh and Mary Skye for juniors.

The Yellowhead West 4-H “Land of Friendship” Junior Camp was held in July at the Tachik Lake Resort south of Vanderhoof. Once again attendance was up as was the amount of facilitators.

The Vanderhoof District erected a roof over their show and sale ring thanks to a generous donation from the Integrus Community Foundation and other supporters in the community.

On a sad note the Yellowhead West lost a longtime supporter and friend of 4-H with the passing of Graeme Johnstone in April. He will be very much missed by the 4-H community.

B.C. 4-H AMBASSADORS

The ambassador team had an excellent year in 2011. 16 of the 17 ambassadors completed their achievement requirements with many going above and beyond what was required.

Some highlights of the Ambassadors work this year include:

- 11 presentations on the B.C. 4-H Foundation
- 14 thanks you's to regional and provincial 4-H sponsors
- 25 articles submitted to various publications
- 45 4-H promotions at public events
- 15 project and program workshops to 4-H clubs
- 11 opportunities to act as the official judge for 4-H competitions
- 60 reports of hosting or helping with 4-H events

Ambassadors completing their commitment at the end of February 2012 include:

- Fraser Valley – Sarah A., Chad S., Anna D.
- Kamloops/Okanagan – Tamara T., Amanda M.
- Peace River – Jenny Z., Jacy J.

Thank you to the graduating ambassadors for two years of great work!

2011 AMBASSADORS

Central Interior

- Amy S.

Fraser Valley

- Naylene B.
- Beatrice C.
- Sarah A.
- Anna D.
- Chad S.

Kamloops/Okanagan

- Tim D.
- Nathan G.

Yellowhead West

- Ruth H.
- Vicki H.

The winner of the Outstanding Ambassador of the Year Award for 2011 was selected at the end of February, congratulations to Jennifer Z! Many of the graduating ambassadors have done an outstanding job over the past two years, it was a hard choice.

Ambassador alumnus Kirsten Bevandick continues to represent B.C. 4-H on the Canadian 4-H Council's Youth Advisory Committee until 2013. Thanks very much to Kirsten for her excellent work representing B.C. 4-H so far.

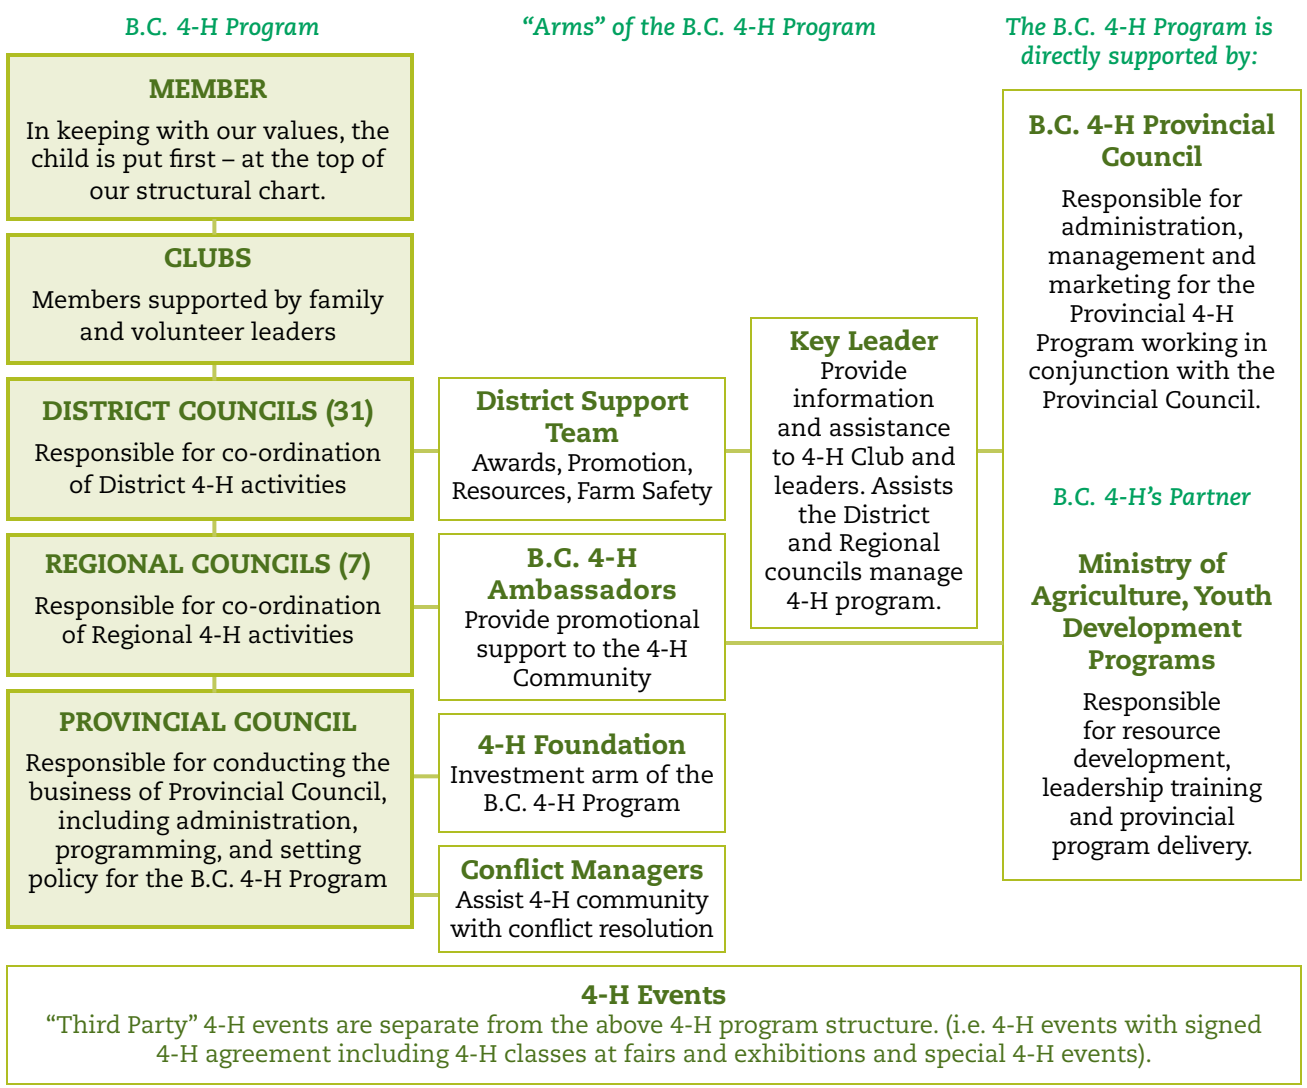

We're looking forward to another exciting year of ambassador work ahead.

Sarah van Heeswijk and Suzanne Skaaning

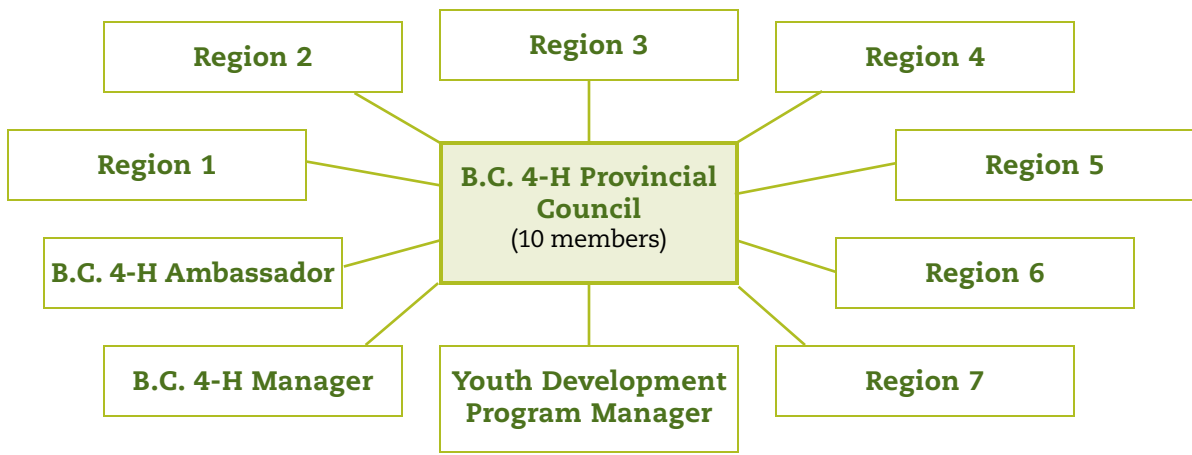

B.C. 4-H STRUCTURE

Below is an illustration of the 4-H Organization from the club member to the provincial level.

B.C. 4-H PROVINCIAL COUNCIL STRUCTURE

REVIEW ENGAGEMENT REPORT

To the Directors of British Columbia 4-H Provincial Council

We have reviewed the statement of financial position of British Columbia 4-H Provincial Council as at December 31, 2011 and the statements of operations, changes in net assets and cash flows for the year then ended. Our review was made in accordance with Canadian generally accepted standards for review engagements and accordingly consisted primarily of enquiry, analytical procedures and discussion related to information supplied to us by the Council.

A review does not constitute an audit and consequently we do not express an audit opinion on these financial statements.

Based on our review, nothing has come to our attention that causes us to believe that these financial statements are not, in all material respects, in accordance with Canadian generally accepted accounting principles.

KPMG LLP
Chartered Accountants
Vernon, Canada
February 13, 2012

It is with mixed emotions that I write this, my last report, as President of the Foundation.

It has been a privilege to serve as your President for the past six years. During that time we have had many changes and challenges to navigate. The reorganization of the Provincial Council, the restructuring of the Foundation and the upheaval in the world markets were significant issues with which we had to deal. I am pleased to report that we managed those changes very well. There is now a better dialogue and understanding

between the Provincial Council and the Foundation and our Portfolio reflects a steady growth, notwithstanding the continuing turmoil in the world markets.

The addition of Shawne Bremer to our Team as our Fund Development Coordinator is a success story. Our donations to the end of our fiscal year totalled \$11,984.00. Of this amount, \$5,691.00 was generated by the Field of Clover Promotion and \$6,293.00 was donated to the General Fund. The B.C. 4-H Lottery was a major success. All clubs participated and of the 8,000 tickets issued, we sold 92.31% which realized a gross return of \$22,590.00, less lottery expenses there was a net return of \$21,954.00 which was shared equally between Provincial Council and the Foundation.

Both the Foundation and the Provincial Council are in agreement that we must continue to raise the profile of B.C. 4-H not only across the Province but within the Agricultural community specifically. Adrienne and her team continue to explore every opportunity to put this plan into effect. We are seeing the results of these efforts.

I close with thanks to the Trustees of the Foundation, Adrienne and her staff and to Susy Chung-Smith for their cooperation and support this past year. These are exciting times for 4-H in B.C. I am convinced that the years ahead, while challenging, will prove to be most rewarding.

Aubrey Searle
President, B.C. 4-H Foundation

The B.C. 4-H Foundation was established to manage and invest funds donated for the promotion and development of 4-H in British Columbia. Donations made to the B.C. 4-H Foundation have continued to assist in the development of our future community leaders.

B.C. 4-H Annual Report 2011

B.C. 4-H FOUNDATION ACCUMULATED DONATIONS

Foundation donors are recognized up until October 31, 2011.

A donation to the B.C. 4-H Foundation is invested in perpetuity with interest used for 4-H programs annually. Every donor receives a letter of appreciation, a charitable tax receipt, and a listing on the B.C. 4-H website - www.bc4h.bc.ca.
