

Society for Range Management – BC

Hello 4-H members and Interested Youth!

This is a communication from the Society for Range Management, BC Chapter High School Youth Forum. If you are a 4-H member in the beef, dairy, horse, goat or sheep projects and are interested in range and pasture management, then this program is for you!

The BC Chapter of the Society for Range Management will be selecting one successful candidate for an all-expenses paid trip (travel, accommodation and registration) to participate in the Society for Range Management's High School Youth Forum (HSYF).

Who can apply: high school students ages 15-19 interested in range management.

Conference Dates: February 10 – February 14, 2020

What is it: Conference about "Rangelands" <http://www.rangelands.org>

Location: Denver, USA

Application Deadline: Currently November 15, 2019

The forum is an opportunity to:

- Learn about ecology and natural resources
- Meet other like-minded youth
- Learn about rangeland management and potential careers from SRM professionals
- Field visits to rangeland sites
- Present on an aspect of range management (of interest to you) at a forum paper presentation session

The Forum Paper Presentation Session

As one of the main activities scheduled for the participants in the HSYF, the Forum Paper Presentation session has always proved to be a highlight to not only participants, but to SRM's general membership as well. This session consists of each participant giving a 6-8 minute presentation based on an aspect of range management.

Selection Criteria:

1. Delegate must be currently enrolled in high school when attending HSYF
2. Delegates that have participated in the HSYF in previous years are ineligible

One high school student will be selected to represent the BC Chapter of the Society for Range Management. The selected applicant will receive an all-expenses paid trip covering travel, accommodation and registration to the Society for Range Management's High School Youth Forum.

If you have any questions about this program, please contact the Society for Range Management, BC Chapter: Victor Wright at vicwright7@gmail.com, 250-546-1933 or Laura Code at laura.d.code@gov.bc.ca, 250-260-4626.

Last years attendee was Jade from Rock Creek. See her report in the Spring 4-H Newsletter.
