

## Rethink Your Drink- Acidity

Ever been curious about how some of our favorite drinks, like juice, milk or pop, can affect our health? In this activity, you will learn about how acidity and sugar can impact our teeth! Watch the video in the link below for a demonstration and a fun experiment you can try at home.

**This activity is brought to you by the Progressive Agriculture Safety Foundation!**

Note: The link to the activity provided here is a link to the Progressive Agriculture Safety Foundation's YouTube Channel, where they are featuring a daily "activity drop".
