

Scavenger Hunt @ Home!

Complete the scavenger hunt below with items in your home! Gather all your scavenged items, take a photo and post on the 4-H BC social media pages under the activity post.

Find Something...

To keep your feet warm

That smells like flowers

Fluffy

Purple

You put on your face

That breathes

From a cold place

Squishy

That tastes minty

To eat with

With eyes

With wheels

Made of plastic

That makes noise

With paws

That can be broken easily

You can see through

That is wet on the outside, but dry on the inside

You can open
