RECONNECT

# RECONNECT!

## What interests you?

As a B.C. 4-H Alumni, you know firsthand the benefits of 4-H and how your life has been impacted by participating in the opportunities only available through 4-H. Why not share your knowledge and experiences with others? Be part of the movement; the future and growth of B.C. 4-H!

As alumni you can share your story, act as a role model for 4-H members, or provide guidance and assistance through some of the challenging times – we all remember our first speech! Encourage members to do their best by judging demonstrations, speaking to clubs, providing the opportunity to use your barn for achievement days or becoming a club leader. You can help in many ways to make another members experience as successful as your own.

To get started today, please answer the questions in this booklet, sign and return the center section to us – we know you may not remember everything, but fill in as much as you can!
